True-Grit Award Winner 2003: Bill Rinkenberger, Fosston, MN

What is the True Grit Award? It is the most coveted of all awards presented at Ag-Arama, the True Grit Award is dedicated to Todd Opsahl, a student in 1973-74. Most of the students and faculty around Todd did not know that he was suffering from terminal leukemia, a disease that took his life shortly after he left college. Despite this condition, Todd was extremely active in campus activities, especially in the Agriculture Division where he studied Animal Science.
