The a cappella group Dare to Breathe will perform as part of the Crookston Artist Series on Tuesday, May 6 at 7:30 p.m. at the Crookson High School Auditorium. Ten FREE tickets are available for UMC students at the Dowell Info Desk. Dare to Breathe a cappella singers David Moore, Linda Kachelmeier, Jordan Sramek, Kathy Lee, and Mark Dietrich present songs from a vast landscape of different countries, cultures, centuries, languages, styles, and passions. They maintain a repertoire of well over 100 pieces that includes folk songs, classical chamber music, dance tunes, lullabies, and popular songs. Ride Share Board Now Online

Attention: Students! Need a ride home after finals? Or do you have a car but prefer some good conversation to silence or, even worse, bad radio? Well, UMC now has a rideshare website that allows you to post your ride needs, or your desire to give other people a lift if they’re heading the same way you are.

Simply visit <www.crk.umn.edu/student/RideShare>, and it’s fairly self-explanatory from there. Whether you need a ride or can provide a ride, there’s an online form for you to complete that will remain in the site’s database for others to see until the date of your trip passes. There’s also a place on each form for you to make specific remarks about your trip, such as a concern about cigarette smoke or a need to split fuel costs.

The rideshare site was developed this spring by students in Martin Lundell’s Project Design course as part of a service-learning project. Soon it will be linked to a new website designed specifically for UMC’s many commuter students, the result of another service-learning project involving students in Dan Lim’s Web Graphics and Design course.

The site will be useful whether you need a ride (or can provide one) to the grocery store, the Twin Cities, or as far as Florida. Give it a try, and let us know (chris282@umcrookston.edu) how it works out.
