**Goodbye to Bede Hall**

A campus landmark since 1921, Bede Hall came tumbling down on Monday, March 1, 2004. Students, faculty and staff watched with a mixture of sadness and excitement—sadness for all the memories the building represented and excitement that its demolition will pave the way for a new, larger and modern student center. Excavation on the site for new footings and the foundation is scheduled to begin on April 1. The new building should be fully enclosed by November 1, 2004, with work occurring throughout the 2004-05 school year, with building completion by late summer of 2005. See photos of the demolition and learn about the new student center at [www.crk.umn.edu/campusinfo/tour/BedeHall/index.htm](http://www.crk.umn.edu/campusinfo/tour/BedeHall/index.htm).

Golden Eagles Hockey Team Wins Second Consecutive MCHA Championship

The UMC Golden Eagles Hockey Team bested the Marian College Sabres 3-0 on Sunday, February 29, to take the Midwest Collegiate Hockey Association (MCHA) Championship Title and the Harris Cup for a second consecutive year. The team was backed by a stellar performance from goalie Erik Kraska of Plymouth, Minn, who had his first shut-out of the season as he stopped 31 Marian shots to earn his second MCHA Tournament MVP award in as many years. Seniors Ben Perkins, also of Plymouth, and Mike Alvestad of Grand Forks, N.D., joined Kraska on the All-Tournament Team. Perkins earned two goals, including the championship game winner, while Mike Alvestad scored two goals, including the unassisted game-winning shot that gave the Golden Eagles their 4-3 win in the semi-finals against Milwaukee School of Engineering. Not only did the Golden Eagles win their second consecutive MCHA Championship, but they also set a new MCHA record for all-academic team members. The Golden Eagles had twelve members earn their way on that team, breaking Marian College’s 2002-03 record of eleven. In order to make the MCHA All-Academic Team, the student athletes must have completed a minimum of three semesters or four quarters at their respective institutions and maintain a 3.00 cumulative GPA. For UMC seniors Jay Tupa and Ben Perkins, this is the third year on the MCHA All-Academic Team, while juniors Shawn Carlson and Theran Bauer made their second appearance.
