- SCC Lobby

**Question of the Week**

“Pizza at the Dowell Info Desk?” Page 2

**Inside This Issue**

Page 2 Question of the Week
Page 3 CSA News
Page 4 Brain Teaser
Page 2 FREE Nalgenes
“Would you be interested in having frozen pizzas available for purchase at the Dowell Info Desk Monday through Thursday and Sunday Evenings - along with access to a pizza oven to cook the pizza?”

Beth Johnson  
“Yes, I would.”

Cory Sak  
“Sure.”

Jessica Cowen  
“Ya Hey Der! Heck Yah! Pizza Good!”

Jason Rarick  
“Definately, It would be much better than running all the way to the Eagles Nest, plus a good alternative to going to Ma Brown’s. The only question left is if I have to leave my U-card while eating it?”

Matt Burdick  
“Heck Yah.”

Steph Marble  
“I think it is a good idea.”

The Dowell Info Desk is researching the idea of having frozen pizza available for purchase at the Dowell Info Desk. The pizza would be available when Eagles Nest and Brown Dining are closed. A pizza oven would also be available for use at the Info Desk. If you have any opinions or comments about this idea please contact Meloni Rasmussen at melonir.

Fourth Annual Carl Spackler Open  
-Person 18-hole SCRAMBLE  
Sponsored by UMC Turf Club  
When: 9:00 A.M. - May 1, 2004

Board members for Fall are:
President—Paul Christensen
Vice President—Deann Roers
Secretary—Carrie Koplin
Treasure—Sara Campbell
Senators:
   Joan Ebnet
   Kallie Kezar
   Marcus Meder
Board of Regents Rep.—Richard Laager
Student Legislative Coalition—Amanda Willger
Student Senate Consultative Committee—James Kanten
S.P.A.C.E. Chairperson—Charly Reinert
Advisor—Pam Holsinger-Fuchs

Dates to Remember
- April 26 – Monday – CSA Spring Awards Banquet
- May 3 – Monday – Last day of Instruction
- May 7 – Friday – Last day of Finals
- May 8 – Saturday – Graduation Commencement
- August 30 – First day of 2004-2005 School Year

Report on recent Student Concerns

Paul Christensen - CSA senator and Chair for Student Concerns

- Contacted Jeff Sperling on why the Hill Printer was missing from the lounge – the printer in both Hill and Dowell Second floor have been replaced
- Contacted Jeff again with regards to a student complaint that Dowell was not wireless (especially 2nd floor) – I was informed that the reason for this was lack of funding. Wireless for Dowell, and others, is in their radar for the upcoming year.
- Number 10 of the 15 passenger vans was missing some seatbelts and some of them were non-functional – Kent Freberg was contacted with this concern and I assume that it was taken care of.

Off-Campus Housing Workshop

Gary Willhite and Pam Holsinger-Fuchs will be presenting “Off-Campus Housing Workshop”, Wednesday, April 28, at Noon in Sahlstrom Dining Hall, Room D. If you are currently living off-campus or beginning your search - be sure to stop by and learn some tips!

UMC Clothing and Food Drive!

A clothing and food drive started April 14 and and will conclude on May 7. Several collection baskets are placed around campus including Eagles Nest and the residence halls for you to drop off clean, wearable clothing and canned food items. Donated items will be collected by AFROTC Cadets and donated to the Care and Share Center!
Brain Teasers

Last week’s winners are Jacob Schwendinger and Sarah Myers. The answer to last week’s puzzle: Freedom from incrusted grime is contiguous to divinity translates to - Cleanliness is next to Godliness. Jacob and Sarah can stop by Dowell Info Desk to pick up their free movie passes. Next week’s brain teaser is listed below. There are five sets of items. Indicate what all the items in each list have in common. For example: Artists, Cars & Cooks all use oil. Answer all five for a chance to win a movie pass. Email your answer to melonir prior to noon on Thursday, April 29. Eight Winners will be chosen. The winner’s name will appear in the May 3 Eagle’s Eye.

1. Telephones, Calendars & Playing Cards - What do these three items have in common?
2. Needles, Hurricanes & Potatoes - What do these three items have in common?
3. Water, Baseball Players & Pantyhose - What do these three items have in common?
4. Flowers, Kitchens & Poker Games - What do these three items have in common?
5. Camera, Telescope & Spectacles - What do these three items have in common?

100 Natural Resource Students Complete Wildfire Training and Refresher

For the passed 6 years, students in the Natural Resources program have been receiving extra training qualifying them to work with natural resource agencies around the country. Fire, both prescribed and wild, are key components of resource management. Before a person can work on any fire operations they must complete basic level courses in fire weather and behavior, wildland firefighting and firefighter safety designed by the National Wildfire Coordinating Board. This qualifies them to help agencies with prescribed burns and fight wild fires in Minnesota and across the country. Students and graduates have had the opportunity each year to “go out west” on 20-person hand crews, engine crews and initial attack modules. Students from UMC have been on fires in Washington, Oregon, California, New Mexico, Arizona, Nevada, Utah, Idaho, Montana, Colorado, South Dakota, North Dakota, and some were in Texas when fire crews were utilized to assist with recovery of debris from the space shuttle disaster. Students in Forestry class each spring attend 32 extra hours of training in the evenings to qualify. Fifty students, including 2 from NDSU and 1 from Crookston High School completing their training April 16 with a field session on equipment and an a live burn. With the completion of the 2004 training sessions, UMC has now trained more than 225 students at the basic firefighter level. Each year those students that have previously received the basic training are required to take a safety refresher course held in conjunction with the new trainees. On Monday, April 12, more than 50 extra students and a few graduates joined the trainees in class. Firefighter safety, causes of injury and fatality, new procedures and updates are covered as well as learning how to deploy a fire shelter if they needed to protect their self. Training is coordinated by Phil Baird, Nico Bennett and Tom Feiro. The instruction is provided by agencies who hire our students. Personnel from the US Fish and Wildlife Service, US Forest Service, Minnesota Department of Natural Resources and The Nature Conservancy volunteer their time to train our students and bring real life experiences to the classroom and field. We can’t thank these agencies enough for all that they have given! This opportunity provides the agencies with trained applicants, an advantage in the job market. Over the next few weeks those who wish to take the physical agility test requirement will be out on the track. Wildland firefighters must take a “pack test” each year to test their physical stamina. The pack test requires a person to carry a 45 pound pack for 3 miles within 45 minutes. Submitted by: UMC Natural Resources Department
