UMC Bible Study Group to Host Country Band Laredo September 10

Regional Christian country band Laredo will perform Wednesday, September 10, at 8 p.m., in Kiehle Auditorium on the campus of the University of Minnesota, Crookston (UMC). The concert is free and open to the public and is sponsored on campus by UMC Bible Study, a student group. Disability accommodations are available upon request. For information, call 218-281-8505. Using popular country music to set the stage for common ground, Laredo introduces the concept of relationships and how they fit into a Christian view of life. The music, woven together with band members’ own personal stories, provides a venue to examine all relationships, including a relationship with God. Laredo began as a temporary summer band in 2000. After quickly gaining popularity, the group was launched as a full-time band in the fall of 2001. The musicians come from a variety of social and musical backgrounds. The musical expertise and the clear communication skills of each member of Laredo give them credibility with their audience and provide a platform from which to share their message of hope. Learn more at the band’s website: <www.laredocountry.com>.
Besides Arnold Scharzenegger can you name one of the other candidates for Governor in California’s recall election?

**Meningitis Vaccination Clinic**

UMC Health Services will be offering a Meningitis Vaccination Clinic on **Tuesday, September 16th and Wednesday, September 17th, 10:00 to 1:00, SCC 131.** Cost is $65.00. This is open to all students. Meningitis is a rare but potentially fatal bacterial infection. Early symptoms usually associated with meningococcal meningitis include high fever, severe headache, stiff neck, rash, nausea, vomiting and lethargy, and may resemble the flu. Because the disease progresses rapidly, often in as little as 12 hours, prompt diagnosis and treatment are important to ensuring recovery. The meningococcal vaccine is safe and has been shown to provide protection against the most common strains of the disease. Contact Stacey Grunewald, 8512 for more information. Also, refer to the following web site http://www.health.state.mn.us/divs/idepc/diseases/meningococcal/collegefact.html

**West Nile Virus**

Please be aware that the Minnesota Department of Health has stated that the West Nile Virus has been active in the Minnesota and North Dakota area this summer. West Nile activity is expected to continue throughout the next few weeks until a hard frost occurs. The following measures will help reduce your risk: use mosquito repellent, avoid outdoor exposure at dusk and dawn (peak feeding time for mosquitoes), and wearing long sleeved shirts and long pants. For more information please refer to the following Minnesota Department of Health Web site http://www.health.state.mn.us/divs/idepc/diseases/westnile/index.html

As part of its continuous effort to be involved in the community, UMC has once again agreed to assist Meals on Wheels with meal deliveries for three weeks during the 2003-04 academic year. It’s a rewarding program that delivers meals to local residents in need of a balanced, nutritious meal 365 days a year.

UMC needs volunteers to help deliver meals the week of Sept. 15-19. It’s a quick and easy way to help those in need in the community, and it’s even more fun if you deliver the meals with a friend. All you need to do is pick up the meals and your route promptly at 11:30 a.m. at the rear entrance to the hospital, near the physicians’ and rehab entrance. It’s the same pick-up spot as last year. Then you simply follow the directions on the map and deliver your route, which takes a half hour to 45 minutes.

There’s a sign-up sheet at the Dowell Information Desk. If members of your club deliver some routes it counts as a community service project. If you’d like more information, stop in Dowell 112 to talk to Mike, email him at chris282, or call extension 8526.

He also provides law enforcement training on domestic violence investigations for the Minnesota Bureau of Criminal Apprehension and has participated in the development of training films for use with the Marine Corps and Law Enforcement Officer training.
Brain Teasers

The winner of last week’s contest is Mike Hendrickx. Mike knew the puzzle below left was “Tooth Decay”. Mike can pick up his free movie pass at the Info Desk in Dowell Hall 119. Can you guess this week’s puzzle? If you think you know the answer send an e-mail to melonir. A winner will be chosen from the correct answers. The winner will receive a free ticket to the Grand Theatre in Crookston. Email your answer to Meloni prior to noon on Thursday, September 4. The winner’s name will appear in the September 8 Eagle’s Eye.

UMC Students, Faculty and Staff Rally to Support Crookston Community

Many homes have been affected by the landslide on West 6th Street by the Country Club Motel. We talked with one of the home owners Bruce Schipper. Schipper said, “The land started to slip over a month ago, but within the last week it has been moving four to five inches a night. Within the last 24 hours it has dropped five to six feet.” The Schippers had a lot of help from the community and UMC students, athletes and coaches. Schipper said, “The community is sure helping, it’s really nice.” Pamela Holsinger-Fuchs, director of student activities and service learning, had this to say, “A heartfelt thanks to all of you that helped with this community emergency. I was very proud to be a part of UMC with all of the amazing outpouring of support.”
