A cappella Group Chapter 6 will perform January 19 at 8 p.m. in Kiehle Auditorium. Chapter 6 is quickly becoming one of the most sought-after and critically acclaimed groups in the a cappella music industry. Since their professional debut in 2001, this group from the Chicago area has received numerous awards and recognition for their technique, performance, and their unique original arrangements. In 2000, Chapter 6 became the youngest group to ever win the Chicago Harmony Sweepstakes, and has held the champion title for three consecutive terms. In 2004, the group went on to win the prestigious Grand Champion title at the National Harmony Sweepstakes. Other special honors have been awarded by such notable organizations as the Contemporary A Cappella Society, the National Association for Campus Activities, and the Association for the Promotion of Campus Activities. Chapter 6’s comedy-infused blend of pop, jazz, gospel, and rock brings spontaneous bursts of laughter and applause throughout their performances. Their concerts feature a diverse repertoire ranging from freshly-arranged swing standards and covers, to signature pieces such as “Ode to Krispy Kreme,” Queen’s “Bohemian Rhapsody,” and crowd-favorite, “The Wizard of Oz.”

Looking for Courage? How about a Brain? Or maybe a Heart? The Cowardly Lion, Tin Man and the Scarecrow will all be here on Wednesday, January 26 at 8 p.m. in Kiehle Auditorium looking for just those items. Stop by and see if you can help.

Weather Related Campus Closing Policy

The primary premise for weather-related closings of the University of Minnesota, Crookston is that the institution will remain open unless there is unreasonable risk or danger to a substantial number of students and/or employees due to extremely hazardous driving conditions within close proximity to the campus. Highways 2 and 75 are the primary roads leading to the campus and are the roads most frequently closed due to weather related causes. The road closure sign in Crookston for west/north bound traffic is located near Pizza Hut/Northland Inn. At East Grand Forks the road closure sign for eastbound traffic is located near the Riverbend Supper Club west of the highway 2 and 220 junction. Failure to obey these “road closure” signs can result in a substantial fine as well as injury or death. Area radio and TV stations provide timely information on road conditions and on road closures and should be considered a primary source of information for students, faculty, and staff. Information about road conditions also can be found online at: Minnesota Department of Transportation Current Weather Conditions [http://www.511mn.org/](http://www.511mn.org/)

North Dakota Road Conditions [http://www.state.nd.us/dot/roadreport/roadreport/roadreport.asp](http://www.state.nd.us/dot/roadreport/roadreport/roadreport.asp)

If that portion of Highway 2 & 75 immediately in front (west) of the UMC campus is closed, the campus will be closed, and only designated critical employees are to report to work or remain at work, unless specifically informed by their supervisors not to report. The campus generally will not close for weather related conditions if Highways 2 & 75 are open to traffic (i.e., not officially closed by law enforcement agencies or the Minnesota Department of Transportation). Announcements about campus closings will be made to the following media outlets:

RADIO:

KROX (AM 1260) Crookston; KKXL - XL93 (FM 92.9) Grand Forks; KYCK (FM 97) Grand Forks, KNOX (AM 1310) Grand Forks

TELEVISION:

KXJB (Channel 4); WDAZ (Channel 8); KBRR (Channel 10); KVLY (Channel 11)
