Zane Williams & Open Mic September 15

Musical Humorist Zane Williams will perform Wednesday, September 15 in Eagles Nest. An Open Mic Night will follow Zane Williams’ performance. If you have a talent you want to share with your fellow students, sign up at the Dowell Information Desk in Dowell Hall 119. Prizes will be awarded to the Open Mic Night winners.

Comedian Bengt Washburn to perform September 22

Comedian Bengt Washburn will perform Wednesday, September 22 at 8 p.m. in Kiehle Auditorium. Bengt (pronounced “bent”) Washburn was born into a small Mormon family (seven kids) and raised in a big Mormon town (pop. 1,000) in Utah. Always fresh, an evening with Bengt presents the world as seen through the eyes of a small town Mormon boy gone slightly awry. Bengt is unique yet universal, achieving the quirky while remaining accessible. Described as “an intellectual with an imp’s perspective,” his musings are clever, silly, poignant, pointed, irreverent, thought-provoking, and hilarious. He’s a 2001 San Francisco Comedy Competition winner and he performed at the 2002 Winter Olympics.

Attention Students with Disabilities

Students with disabilities who need academic accommodations such as text tapes, note-taking assistance, developing study plans, and strengthening study skills, or arranging for exam accommodations must meet with Laurie Wilson in Owen 270 and provide documentation of their disability prior to receiving services. You may drop by Owen 270, email lwilson for an appointment, or call 8587 to schedule. Students who make their arrangements early in the semester and follow through with accommodations have a much better chance of being successful in their courses and getting needed assistance. Thank you and welcome to the new semester.

15-Passenger Van Training – September 22

Effective November 1, 2002 the University of Minnesota will not allow employees or students to drive a 15-passenger van unless they have completed a safety certification course. This new policy applies to vans owned by the University and rented from an outside source! There will be no exceptions to this policy! You must attend in person to receive certification by the University of Minnesota. UMC Facilities Management will not allow vans to be reserved, picked up or driven unless you are on a list of certified drivers. If you might be asked to drive a 15-passenger van as part of your position’s responsibilities, for a class, field trip, club activity, community service or athletic event, you must complete this training. Administrators, faculty, advisors, coaches and workstudy supervisors, please contact any students that may need this training to assist you. (If you have previously completed the training, you do not need to attend again.) Training is provided by Mr. Bill Roberts, Director of Fleet Services for the University of Minnesota. He has an excellent training program full of important information for all drivers. Please arrange schedules so that those who need the training can attend on: Wednesday, September 22, 3:00-4:45pm, Hill 4. This will be the only time this training is provided during the 2004 Fall Semester! Pre-registration is required. For questions and registration, please contact Tom Feiro, Environmental Health & Safety at -8300 or via email at tfeiro OR Michelle Ramstad, Facilities Management and Operations, at -8483 or umlr005.
