Glass Blower Coming to UMC

Jon Offut will bring his Mobile Glassblowing Studio to the UMC campus on October 5 & 6. He will have demonstrations on The Mall throughout the day. Jon considers himself a performance artist. He creates symmetrical glass bowls by gathering molten glass on the end of a long metal pipe. He blows into the pipe to enlarge the bowl and spins it to create the finished elegant vessel. Be sure to come and watch this fabulous artist make his creations.

Matt Wahl to perform October 13

Singer/Songwriter Matt Wahl will perform his music Wednesday, October 13 from 11:30 a.m. to 1:30 p.m. in Eagles Nest. Take a young man, a creative free spirit, a kid at heart, and put him in an office cubicle in the shirt and tie, buttoned down corporate world for 3 years. You can bet when he gets out of the cubicle to chase a dream, he’s going to hit the ground running and never look back. That’s Matt Wahl. Two years out of the cubicle and Matt shows no signs of slowing down. Five years, three CD’s, about 150 shows a year in 5 states. All this from a guy who owns his own record label, handles all his own booking and promotion, and tours as a solo act! Matt Wahl was raised in Eau Claire, WI in a house full of music and he grew up listening to great singer/songwriters: Gordon Lightfoot, Harry Chapin, Jim Croce and Kate Wolf to name a few. So it’s no wonder when Matt got his first guitar, an old nylon 6 string from his Grandma’s attic, he gravitated toward the music of his youth. He started songwriting in high school and college and by his sophomore year at the University of Minnesota, he had a handful of original songs and started performing at open mics in and around Minneapolis. He also changed his major from Economics/Pre-Law to Theatre and started acting in University productions. By his Junior year, he had played his first solo gig and was hooked on music.

**ATOD Trivia**

Naomi Schulstad, Justin Morken, and Allen Huttunen were the first to answer last week’s contest question: 97% of athletes know UMC has policies about alcohol and drug use. Naomi, Justin, and Allen can stop by the ATOD office (Owen 254) to claim their prizes!

This week’s trivia: What percentage of UMC students have never allowed alcohol or drugs to interfere with their grades? (Since 71% of the answers were correct, this week’s is a little more difficult).

The first three students to email me the correct answers to this question will receive prizes which some people may describe as marvelous!
