Thank You to Blood Donors

Thanks to all of you who were able to donate at the first UMC Blood Drive of the year. It was our most success blood drive ever! United Blood Services was able to collect 64 units of blood with 29 people donating for the first time! A very sincere thank you goes out to each and every one of you who made this possible. Stacey Grunewald, Student Health and SIFE.

Ask Pam

Dear Pam,
We have this new no smoking policy that states that students should not smoke within 25 feet of a building. I am wondering who you think should enforce this? I especially see some staff smoking behind Owen that are not 25 feet away from the building. Signed, Dion who hates to walk in smoke.

Dion, The intention for the smoking policy was to keep people far enough away from buildings that those walking into an entrance do not have to walk through the smoke and in some cases bring the smoke into the building with them. The policy as it reads right now is for it to be socially enforced which means we all have to speak up when we see someone abusing this policy. I had one student tell me that it was challenging because they were a former smoker and to have to walk through the smoke was a temptation for them to start again. I hope that this situation improves and thanks for asking.

Brain Teasers

Doris Sorenson is last week’s winner. Doris knew that the puzzle below on the left meant “I Understand.” Doris can pick up her free movie pass from Meloni in 236 Student Center. Can you guess this week’s puzzle (below on the right)? If you think you know the answer, send an e-mail to melonir. A winner will be chosen from the correct answers. The winner will receive a free ticket to the Grand Theatre in Crookston. Email your answer to Meloni prior to noon on Thursday, November 3. The winner’s name will appear in the November 7 Eagle’s Eye.

Tropical Ecology seminar Tuesday, November 1

Dr. James Grier, Professor of Biology from North Dakota State University, will present “Tropical Ecology and Conservation: From Above the Trees to Below the Water in the Philippines” on Tuesday, November 1, 2005, 1:00 p.m. in Youngquist Auditorium on the University of Minnesota, Crookston campus. Dr. Grier is an international expert in eagle recovery programs and will offer insights on his work with the Philippine Monkey-Eating Eagle as well as perspectives from coral reefs. Seminar sponsored by The Natural Resources Department and Student Chapter of The Wildlife Society. The event is free and open to the public.
