Regal,
Where is the closest ATM?
Otto Monet

Dear Otto,
Thanks for the question. An ATM machine was recently installed in the Student Center near the Info Desk. This should help you keep cash in your wallet as long as you keep some in your bank account.
Your Pal,
Regal

Do you or someone you “know” have a problem they need help with? If so, just ask Regal! Ask about life, love, school, or just something that you have been pondering. Email Meloni Rasmussen to have your anonymous question sent to Regal the Eagle. (Please keep in mind that Regal simply offers suggestions, and that it is still up to you to choose your own path in life.)

Danika Kent Places First in the Intercollegiate Horse Showing Association Western Horsemanship Semi-finals, Moves on to Nationals in May

Submitted Article

Danika Kent, a sophomore from Lancaster, Minn., placed first in the Intercollegiate Horse Showing Association (IHSA) Western Horsemanship semi-finals competition held in Pomona, Cal., on Saturday, March 24, 2007.

“This is an amazing accomplishment for a student athlete to attain. To progress to the national finals competition in any NCAA collegiate sport is a dream come true, and we are very proud of Danika and her diligence, hard work and success,” said Ron Del Vecchio, Ph.D., head of the agriculture department. “We are confident that she will represent UMC well in the national competition.”

Kent, a double major in equine science and animal science, will now compete against the nation’s best in the national finals competition to be held in West Springfield, Mass., May 3-5, 2007. With the recent decision for UMC to stay Division II, the success of the IHSA athletic team and individual riders demonstrates that UMC’s student athletes within the equestrian sports can successfully compete and excel to the level of the national final’s competition.

“I am so proud of Danika and the accomplishments she has made in IHSA, both individually and for the team. She demonstrates a great attitude, willingness to learn and great sportsmanship. She is a fantastic rider and is definitely a tremendous role model for the other IHSA riders at UMC.” said Jessica Sathoff, head IHSA coach.

Sophomore Lindy Hausauer, Moorhead, Minn., also competed in the semifinals placing seventh. Kent and Hausauer competed against 13 others semi-finalists from Universities such as Ohio State, Midway, Ohio University Southern, Cal Poly Pomona, College of Southern Idaho, Oregon State University, Western Washington University and the United States Military Academy.
Safety Alert from Tom Feiro

UMC is pleased to announce that we have received 5 additional Phillips Heartstart Automatic External Defibrillators (AED) compliments of Mr. Terry Cook, Director of the Department of Emergency Management for the University of Minnesota. Terry’s department recently purchased another supply of AED’s and he committed to providing units for Duluth, Morris and Crookston. These life saving devices are critical when responding to sudden cardiac arrest.

Up to this point, we have only been able to afford two AED’s, one each in the Sports Center and Student Center. These units are Lifepak 500’s made by Medtronics. The first AED on campus was purchased for the Athletic Department in the Sports Center thanks to an NCAA grant and various departments in Student Affairs. With our latest addition, one of the new units is now in the Sports Center, freeing up Athletics’ defibrillator to be used by our trainers in the field close to our student athletes!!

Following is the complete list of locations and manufacturer: (both units operate on the same principal and guide you through the process)

- **Sports Center** - main lobby near the elevator and concession stand – Phillips Heartstart
- **Sports Center** - room 154, athletic trainer’s office and mobile unit – Lifepak 500
- **Student Center** - main lobby in the Northern Lights Lounge near the water fountains at the mall entrance – Lifepak 500
- **Sahlstrom Conference Center** - 2nd floor lobby outside of Brown Dining Room – Phillips Heartstart
- **Kiehle Building** - 1st floor Rotunda entrance on the north wall – Phillips Heartstart
- **UTOC – University Teaching and Outreach Center** - main entrance to the Arena on the east wall – Phillips Heartstart
- **Ag Research Center (NWROC)** - in the hallway to Youngquist Auditorium – Phillips Heartstart

Each AED is placed in a metal box mounted on a wall in a conspicuous location and identified above with a by-directional sign. The boxes contain an audible alarm that engages when the door is opened, to alert people in the area that the AED is being deployed for emergency purposes. **(IT DOES NOT CALL 911!!)** **If an AED is needed someone must call 9-911 from a campus phone to request an ambulance.**

Many employees, students and visitors have already received training on the use of AED’s. Emergency Management has committed to provide AED training sometime in April and again next fall. As these sessions are arranged, information will be forthcoming. In the meantime please go to the link below where there is excellent information on the Phillips Heartstart AED, including a wonderful flash presentation that walks you through a demonstration of these units.

Volunteer Opportunities

*National Youth Service Day*, Saturday, April 21. We will be joining forces with other local youth groups in the area to do some yard work for senior citizens in town. If you enjoyed Meet Crookston Through Service, this is similar. Please sign up on the form outside my office. **DOOR PRIZES!**

**Schedule**

9:00 a.m. Pancake breakfast at the Care and Share
10:00 a.m. - noon Service projects around Crookston
noon - 1 p.m. Lunch at the Care and Share
1 - 1:30 p.m. Tour of Care and Share
1:30 p.m. La La’s Homemade Gourmet Ice Cream

*Monkey Mania Family Festival*, Tuesday, April 17, 5:15 - 7:45 p.m. at Crookston High School. This event is for preschool children and their families. We will need about 20-25 volunteers to help with children’s activities and to serve a snack. This is a fun event!

**UMC Mentoring and Caring**—Anyone who is interested in being a mentor to a 6-16 year old next fall should complete the paperwork and background check now. Please see me for more information.

**Habitat for Humanity**—Now that it is getting warmer, the Habitat for Humanity crew will be working most Saturdays. I will send out more information a few days before they work.

Publication Information

The Eagle’s Eye is published by the Student Center weekly September through May. Copy deadline is noon on Thursday of each week. Please send items for the Eagle’s Eye electronically to Meloni Rasmussen, Senior Administrative Specialist, at melonir@umcrookston.edu, or drop the copy off at the Student Center Info Desk. Disability accommodations will be provided upon request for all events. The University of Minnesota is an equal opportunity educator and employer. The University of Minnesota is committed to the policy that all persons shall have equal access to its programs, facilities, and employment without regard to race, color, creed, religion, national origin, sex, age, marital status, disability, public assistance status, veteran status, or sexual orientation.
Brain Teasers

Nobody guessed correctly that the puzzle below (left) meant “Meeting of the Minds”. We will pick two winners from this week’s answers. Can you guess this week’s puzzle (below on the right)? If you think you know the answer, send an e-mail to melonir. A winner will be chosen from the correct answers. The winner will receive a free ticket to the Grand Theatre in Crookston. E-mail your answer to Meloni prior to noon on Thursday, April 5, 2007. The winner’s name will appear in the April 9, 2007 Eagle’s Eye.

Northwest Service Coop - 3rd Annual Technology Seminar
