15 - Passenger Van Training – September 20th

The University of Minnesota requires all employees or students to complete a safety certification course before driving a 15-passenger van. This policy applies to vans owned by the University and rented from an outside source! There will be no exceptions to this policy! UMC Facilities Management will not allow vans to be checked out or driven unless you are a certified driver. If you might be asked to drive a 15-passenger van as part of your position’s responsibilities, a class, field trip, club activity, community service or athletic event, you must complete this training. Advisors and work study supervisors, please contact any students that may need this training to assist you. (If you received this training in previous years, you do not need to attend again.) (If you watched a video training session between February and August 2006, you must attend this live presentation to receive full certification.) Training is provided by Mr. Bill Roberts, Director of UM Fleet Services. He has an excellent training program full of important information for all drivers. Please arrange schedules so that those who need the training can attend on:
Wednesday, September 20th, 2:00-4:00pm, in Bede Ballroom D-E.
This will be the only time the training is provided during the 2006 Fall Semester!! Pre-registration is suggested. For questions and registration, please contact Tom Feiro, Environmental Health & Safety at -8300 or via email at tfeiro or Michelle Ramstad, Facilities & Operations -8483 or at umlr005.
