Diversity Week October 2 - 6

ADHD or ADD? If you know what those letters mean, and you know that you are a student who struggles with this issue, we want YOU to come by Owen 270 to visit about services that could support your efforts and improve your effectiveness as a student. Only about 1/3 of students diagnosed with Attention Deficit Disorder use support services at UMC. Only about 1/3 of students with ADHD or ADD complete their college goals. We want to change that. We want you to come by and learn more about resources and people who could assist you to realize your goals.
