Spring Registration today through November 30

Student self-registration using the World Wide Web is available to most students. In-person registration is available to all students at the One Stop Student Service Center, 170 Owen Hall.

Eligibility for Web Self-Registration
Students must meet two criteria in order to be eligible to self-register using the web:

1. You must be an officially admitted degree-seeking student (PSEOA, Non-Degree, and College in the High School students are NOT eligible), and
2. You must have a UMC cumulative GPA of at least a 2.00, or be in your first term of enrollment at UMC. All other students MUST register in-person.

All in-person registrations require adviser signature approval.

General Information for Self-registration
Registration is available on the World Wide Web at your scheduled time in the registration queue. That is the time when you will be allowed to register for classes on the Web or in person (you can register on or at any time after your time in the rotation). You can find out your scheduled registration time by logging on to the web registration site, or by referring to the printed Registration Queue in the class schedule.

Web Self-registration is available Monday - Thursday from 7:00 a.m.-12:00 midnight, Friday from 7:00 a.m.-10:00 p.m., and on Saturday from 8:00 a.m.-6:00 p.m., except on official University holidays. In-person registration is available at the Office of the Registrar, 170 Owen Hall, 8:30 a.m.-4:15 p.m., Monday - Friday.

Ask Regal

Dear Regal,
I find that lately I have been spending 5 out of 7 nights of the week at the bar. I am a good student and keep up fairly well, but lately I have noticed my school work being less and less a priority. Am I headed down the wrong road and what can I do to turn this around?

Yours Truly,
John Doe

Dear John,
There is nothing wrong with going out and having a good time, but, when it starts to conflict with your studies you need to rethink your priorities. Many students have trouble balancing school and a social life. Maybe, you can pick 1 or 2 nights a week that most of your friends will be out, and leave the other nights to studying. If you continue to go out as often as you have been, this may leave you with a serious work load at the end of the semester. Make some changes now, and you will be grateful later!

Your Pal,
Regal

Do you or someone you “know” have a problem they need help with? If so, just ask regal! Ask about life, love, school, or just something that you have been pondering. Email Meloni Rasmussen at melonir to have your anonymous question sent to Regal the Eagle. (Please keep in mind that Regal simply offers suggestions, and that it is still up to you to choose your own path in life.)

Season Opener Reveals Potential
Submitted by the Communications Club
The UMC supporters came out in full force for Wednesday’s men’s basketball home opener against University of North Dakota. A sea of maroon and gold cheered and shouted as the ball was tossed up. UND wins the tip-off, but in the first 5 minutes of the game, UMC gets after it, and the scoreboard shows 8-2 in UMC’s favor. UND comes back fighting gaining their first lead of the game with 10:56 remaining in the first half. The crowd starts to get a little rowdy as the fight continues, and the score stays close throughout the first half. The buzzer rings for halftime with a score of 29-30, UND’s lead. The halftime show consisted of introductions of all faculty and staff that attended the game for the “Faculty and Staff Appreciation Night”. Then, the halftime shooting contest! Make a lay-up, make a free-throw, make a three-pointer, make a half-court shot in 30 seconds, and you win a portable DVD player. Even though nobody won the big prize, two contestants made the three-pointers and won UMC t-shirts! Congrats!! The second half begins, and the teams battle back and forth for the lead. The “super fans” in the front row escalated their yelling and cheering as the games intensity heightened. The Golden Eagles forced turnovers and hustled as we gained an 8 point lead with 10:48 remaining in the game. As the battle continued, UMC fell into a scoring slump and allowed UND to take the lead. The final score had our Eagles down 62-75. The men showed a lot of effort and talent in their first home-opener. Mario Bonner led the team in scoring with 11 points, Aaron Smith coming in second with 9. Mike Thompson and Mario Bonner each had 6 rebounds and the team shot 78% from the free-throw line. Their next home game is scheduled for, November 25th against Augustana College at 5:30 p.m. Come out and support the Men’s basketball team!
