UMC Campus Emergency Closing Policies and Procedures

The primary premise for weather-related closings of the University of Minnesota, Crookston is that the institution will remain open unless there is unreasonable risk or danger to a substantial number of students and/or employees due to extremely hazardous driving conditions within close proximity to the campus. Highways 2 and 75 are the primary roads leading to the campus and are the roads most frequently closed due to weather related causes. The road closure sign in Crookston for west/north bound traffic is located near Pizza Hut/Northland Inn. At East Grand Forks the road closure sign for eastbound traffic is located near the Riverbend Supper Club west of the highway 2 and 220 junction. Failure to obey these "road closure" signs can result in a substantial fine as well as injury or death. Area radio and TV stations (KROX 1260, Channel 8 & 11) provide timely information on road conditions and on road closures and should be considered a primary source of information for students, faculty, and staff. If that portion of Highway 2 & 75 immediately in front (west) of the UMC campus is closed, the campus will be closed and only designated critical employees are to report to work or remain at work, unless specifically informed by their supervisors not to report. The campus will generally not close for weather related conditions if Highway 2 & 75 is open to traffic (i.e., not officially closed by law enforcement agencies or the Minnesota Department of Transportation). Closing for the Day: When possible, the decision and announcements will be made by 6:30 a.m. The announcement will include the Children’s Center also being closed. The typical duration for the closing will be 7:45 a.m. to 4:30 p.m. Other shifts are expected to report to work unless specifically notified otherwise. Should Crookston schools be closed, not delayed, but the University remains in session, a positive announcement will be made over the radio. UMC's complete “Campus Emergency Closing Policies and Procedures” can be found at http://www.umcrookston.edu/info/policies/closing.htm.

Golden Eagle Men & Women both Lose Tough Ones at Home

The Golden Eagle Men’s Basketball team lost a hard fought game on November 25 against the Augustana College Vikings at Lysaker Gymnasium. The first half saw hot shooting on both sides of the floor. Golden Eagle’s guard Bryce Cummings (Fr., G, Mukwanago, Wis.) scored 15 first half points on five first half three’s and Vikings guard Joey Ryan scored all of his 23 points in the first half also hitting five threes. The Vikings were in the lead for most of the half, but the Golden Eagles tied it up 42-42 by the end of the half. The Golden Eagles took control for a majority of the second half behind strong play from Joey Kollar (Jr., F, Northwood-Young America, Minn.) and defensively by Mike Thompson (Sr., G, Apple Valley, Calif.) who held Joey Ryan to no points in the second half. Down the stretch the Golden Eagles looked like they had the game in control, but Augustana was able to hit some key shots and free throws to pull the win out 73-70. The Golden Eagles shot a solid 41% percent from the field for the game. Augustana also shot the ball well hitting 50% of their shots. The Golden Eagles out rebounded the bigger Augustana team 35-30. The Vikings were led by Joey Ryan’s 23 points.

The Golden Eagle Women’s Basketball team lost a close one to the Mayville State Comets on Saturday, November 25 in their first home game of the season. The Golden Eagle’s shots were not dropping in the first half as they shot 25% from the field. Trissilyn Clayton (Jr., G, Chicago, Ill.) led the Golden Eagles with five first half points and two steals. The full court zone press forced the comets into ten turnovers in the first half. At the end of the half the Golden Eagles trailed by twelve 30-18. In the second half the Comets came out on fire hitting clutch three-pointers against the zone defense and pushed their lead to twenty points. The Golden Eagles never gave up as they stepped up their aggressiveness on the defensive end and forced the Comets into turnovers that led to easy buckets. Katie Cheline (Fr., F, Mondovi, Wis.) came off the bench to help spark the comeback hitting the boards and finishing buckets on the offensive end. She finished the game with a double-double. The score was within two points with thirty seconds remaining, but the Comets hit some clutch free-throws down the stretch and pulled out the win 68-62. Freshman Katie Cheline had her first career double-double as she led the Golden Eagles with fourteen points and eleven rebounds. Trissilyn Clayton chipped in 13 points, four assists and two steals. The Mayville State Comets were led by Michelle Halvorson’s 15 points, five assists and three steals. The loss drops the Golden Eagles to 0-3 on the season and with the win the Comets move to 6-2.
