Golden Eagle Athletics Launches New Web site

Submitted by Chris Vito

A new athletic Web site was recently launched by the University of Minnesota, Crookston. The Web site, online at www.goldeneaglesports.com, was developed to meet the growing needs and interests of fans and prospective student-athletes across the country.

The refreshed Web site is more dynamic and user friendly and includes everything from team schedules, rosters and statistics to game photos and player bios. Located on the site are details about purchasing tickets, contacting staff, and information on the fitness center, as well as the activities of Teambackers, an athletic promotion and fundraising organization for Golden Eagle Athletics.

Visiting team guides along with links to Golden Eagle radio broadcasts will provide even greater access for fans.

“The new Web site will be a huge asset to the University of Minnesota, Crookston and Golden Eagle Athletics,” says U of M, Crookston Athletic Director Stephanie Helgeson. “With our recommitment to NCAA Division II Athletics and the Northern Sun Intercollegiate Conference (NSIC), we felt that it was necessary to upgrade our Web site to stay on par and even exceed what is being developed around the NCAA.”

Golden Eagles Bring Hope In City Reconstruction

Submitted by Matt Scheerer

UMC was very well represented on Saturday, September 1, 2007, when over 80 student-athletes from the Golden Eagle football, soccer, and hockey teams traveled to Northwood, N.D., to help the town clean-up and rebuild. Northwood was ravaged by a tornado on Sunday night, August 26.

The teams assisted the town by cleaning up debris in the area’s cornfields. The student-athletes also moved furniture and books from the heavily damaged school in Northwood to the Hatton-Northwood high school in neighboring Hatton, N.D. The athletes were not alone on the clean-up effort. Head Women’s Soccer Coach Chris Przemieniecki, Hockey Coach Gary Warren, and Football Coach Shannon Stassen assisted the clean up as well. The student-athletes and the coaches were fed lunch by crews from the American Red Cross who were also distributing aid to residents of the community.

For more information, visit the Golden Eagle Athletics website at: www.goldeneaglesports.com.
