**Pupil on People: Katie Jeremiason**
Submitted by Jordan McCormick

Katie Jeremiason wants to be challenged. Well Katie, ask and you shall receive. This ambitious senior from Marshall, Minnesota is currently holding the office of Crookston Student Association (CSA) President at UMC. She has been involved with CSA for two semesters prior to her election as President, serving as the Senator of Chamber Relations and as the Regents Representative. Her commitment to excellence is not only reflected from her personal aspirations, but also in the goals she has set for this years CSA executive board.

“My ultimate goal going into the school year is to increase the level of interaction between CSA and the entire student body. To accomplish this, CSA will be implementing various programs and events to engage both the student body and the executive board, which should forge stronger ties between the two.”

Katie’s goals extend not only to the UMC campus, but to the neighboring community of Crookston as well.

“i want the CSA to develop an effective recycling program for the students of UMC, as well as the members of the Crookston community.”

In her sparse glimpses of free time Katie enjoys hanging out with her family and friends, playing volleyball, watching wrestling and football, golfing, playing the piano, rollerblading, scrap booking, and cooking. She is also involved with the Communications Club and serves as the secretary of the Commencement Committee. She is currently preparing to take her LSAT and is starting the application process for various law schools with the hope of becoming a corporate lawyer.

Katie Jeremiason’s goals for CSA are almost as high as the goals she sets for herself. “I want this years CSA to be remembered as the best student government UMC has ever had.” Surely with Katie at the helm, it will be.

**Crookston Student Association Proposed Constitution Change**
Submitted by Lisa Samuelson & Joe Nelson

The Crookston Student Association Full Board has voted to pass an amendment to the CSA Constitution, and therefore will move to a full student body vote on Monday, October 15. The proposed amendment is on Article IV. Section 4. Item B. Currently item B reads “Prepare, maintain, and report accurate financial records for the CSA, Student Activities, and Clubs and Organizations budgets.” The amendment would remove the words “Student Activities”. A complete CSA Constitution can be found at: [http://www.umcrookston.edu/CSA/documents/Constitution.doc](http://www.umcrookston.edu/CSA/documents/Constitution.doc)

The rationale for the constitutional change is currently the CSA Treasurer is responsible for the S.P.A.C.E. budget per the CSA Constitution and S.P.A.C.E. would like to create a Treasurer position within S.P.A.C.E. to maintain the budgets due to the extensive volume of purchases and activities, but in order to do so the Constitution must be amended.

**15-Passenger Van Training – October 11**

Submitted by Michelle Ramstad

The University of Minnesota requires that all employees and students who drive a 15-passenger van must complete a classroom safety certification course. This policy applies to vans owned by the University and rented from an outside source! UMC Facilities Management will not allow vans to be checked out and operated by uncertified drivers.

If you may be asked to drive a 15-passenger van as part of your position’s responsibilities, for a class, field trip, club activity, community service or athletic event, you must complete this training. Advisors and work study supervisors, please contact any students that may need this training to assist you.

(If you have previously completed the training, you do not need to attend again.)
(If you’ve watched a video training session between September 2006 and now, you only had temporary permission to drive. You must attend this live presentation to receive full certification.)

Training is provided by Mr. Bill Roberts, Director of UM Fleet Services. He has an excellent training program full of important information for all drivers. Please arrange schedules so that those who need the training can attend on:
