15 - Passenger Van Training September 3, 2008

The University of Minnesota requires all employees or students to complete a safety certification course before driving a 15-passenger van. This policy applies to vans owned by the University and rented from an outside source! There will be no exceptions to this policy! UMC Facilities Management will not allow vans to be checked out or driven unless you are a certified driver.

If you might be asked to drive a 15-passenger van as part of your position’s responsibilities, a class, field trip, club activity, community service or athletic event, you must complete this training. Advisors and work study supervisors, please contact any students that may need this training to assist you.

Training is provided by Mr. Bill Roberts, Director of UM Fleet Services. He has an excellent training program full of important information for all drivers. Please arrange schedules so that those who need the training can attend on:

Wednesday, September 3, 2008 from 3:00pm – 5:00pm in Youngquist Auditorium (Northwest Research & Outreach Center).

This will be the only time the training is provided during the 2008 Fall Semester!!

Pre-registration is suggested. For questions and registration, please contact Michelle Ramstad, Facilities & Operations (8483) or umlr005@umn.edu.

If you received this training in previous years, you do not need to attend again.

If you watched a video training session since the last training, you must attend this live presentation to receive full certification.

We reserve the right not to publish any article/submitted question that is deemed inappropriate and/or is in violation of University policy, State or Federal law. Greetings Crookston students, faculty, and staff! My name is Kim Jorgensen and I am new to campus as the GLBTA Programs Coordinator. This position is intended to serve gay, lesbian, bisexual, transgender people and their allies. An ally is a person who supports GLBT people or other minority individuals and we have many allies on this campus! For those of you who might have met my classmate, Ashton Jung, I will be continuing the GLBT advocacy work that he started here.

One of the initiatives that I am very passionate about is the Equality Room (Hill Hall, Room 15). This room is intended to be a safe space. The only rule for use of this space is that everyone who enters this room may safely and comfortably self-express without fear of discrimination, harm, or exposure for being different. This includes differences of sexual orientation and identity, gender identity and expression, race, ethnicity, religion, socio-economic status, physical and mental ability, sex and age. Please feel free to use this space to gather with friends, study, meet, and relax. The faculty, administration, and staff who are allies of this project are committed to keeping this room unlocked for meetings and student use.

Another opportunity for students who are already allies to gay, lesbian, bisexual and transgender people is the University’s GLBTA Student Leadership Retreat. This retreat will be held September 19-21 at Itasca State Park. Please contact me if you are interested in attending. Most weeks I will be holding office hours in the Equality Room (Hill, Room 15) on Thursdays from 9 am – 5pm. You can also contact me via email at kimberlyjorgensen@gmail.com. I look forward to meeting with students, faculty and staff. Please don’t hesitate to stop by!
