**Joke of the Week**

It is fun to cook for Tom. Today I made angel food cake. ~ The recipe said beat 12 eggs separately. The neighbors’ were nice enough to loan me some extra bowls. ~ Tom wanted fruit salad for supper. The recipe said serve without dressing. So I didn’t dress. ~ What a surprise when Tom brought a friend home for supper ~ A good day for rice. The recipe said wash thoroughly before steaming the rice. It seemed kind of silly but I took a bath anyway. I can’t say it improved the rice any. ~ Today Tom asked for salad again so I tried a new recipe. It said prepare ingredients; lay on a bed of lettuce one hour before serving. ~ Tom asked me why I was rolling around in the garden. ~ I found an easy recipe for cookies. It said put the ingredients in a bowl and beat it. There must have been something wrong with this recipe. When I got back, everything was the same as when I left. ~ Tom did the shopping today and brought home a chicken. ~ He asked me to dress it for Sunday. I don’t have any clothes that fit it, and for some reason Tom keeps counting to ten. ~ Tom’s folks came to dinner. I wanted to serve roast but all I had was hamburger. Suddenly I had a flash of genius.. I put the hamburger in the oven and set the controls for roast. It still came out hamburger, much to my disappointment. ~ GOOD NIGHT DEAR DIARY. This has been a very exciting week! ~ I am eager for tomorrow to come so I can try out a new recipe on Tom. ~ If I can talk Tom into buying a bigger oven, I would like to surprise him with a chocolate mouse.
