UMC Basketball Signs 6 Players

University of Minnesota, Crookston Head Men’s Basketball Coach Jeff Oseth announced today the signing of six student-athletes to Letters of Intent for the 2009-2010 season. Junior college transfers Mike Larsen of Salt Lake City, Utah and Darin Weeks of Green River, Wyo., along with incoming freshmen Kyle Kreklow of Delano, Minn., Kyle Risinger of Minnetonka, Minn., Broderick Schmidt of Marion, S.D. all have signed national letters of intent while Andrew Scott of LeSueur, Minn. has signed an institutional letter of intent to round out the 2009 recruiting class for the Golden Eagles.

Mike Larsen, a 6’9 sophomore power forward from Salt Lake City, Utah, averaged ten points, five rebounds and shot 44% from the field at Western Wyoming Community College. He helped lead his team into the second round of the National Junior College Athletic Association (NJCAA) Region IX Tournament. Larsen also garnered first team all state averaging 13 points and seven rebounds per game as a senior at Riverton High School. Larsen will major in business at the University of Minnesota, Crookston.

“Mike Larsen is an outstanding shooter,” says head coach Jeff Oseth. “He has established himself as one of the premier face-up big men in the area. He is an extremely versatile player with all the tools to make him a special player at UMC. Mike is a very smart basketball player that has good size and length to contribute immediately. We are extremely excited to have Mike join the Golden Eagle family.”

Darin Weeks, a 6’2 sophomore guard/forward from Green River, Wyo., joins the Golden Eagles after a very successful season at Western Wyoming Community College. Darin’s 14.4 points and four assists per game were good enough to earn him second team All- Wyoming Community College Athletic Conference, as well as NJCAA Region IX All-Tournament Team. He shot 46% from the floor, 44% from three-point range and 72% from the free-throw line last season. Weeks will major in biology at the University of Minnesota, Crookston.

“Darin is as tough as they come,” says Coach Oseth. “He is a great shooter with the capability of exploding to the basket at will. He has proven himself at the highest levels making important contributions to his team. He is an incredible person with great character and we are very much looking forward to working with Darin.”

Kyle Kreklow, a 6’7 guard/forward from Delano, Minn., is a three-year varsity starter and four-year letter winner at both Blaine and Delano High Schools. He was named to the Wright County All-Conference team and was team MVP for Delano H.S. Kyle averaged 13.6 points per game while shooting 50% from the field and grabbed 8.5 rebounds per game.

“Kyle’s upside is huge,” says Coach Oseth. “He played the point guard for his high school team, so he has good ball skills. However, he has the ability to play a multitude of positions. He has great size and length for both the guard and forward positions and he sees the floor extremely well.

Kyle comes from a great basketball family as both his older brothers play college basketball, so he has a great understanding of the game. We’re extremely excited that Kyle has joined our basketball family here at UMC.”

Kyle Risinger, a 6’1 point guard from Minnetonka, Minn., was a large contributor to Minnetonka High School’s 2008 Class AAAA State Championship team as a junior. He was named All-Conference in the Classic Lake Conference his senior year and was All-Conference Honorable Mention as a junior. A three-time team Defensive Player of the year, Risinger also excelled on the football field where he was name St. Paul Pioneer Press First Team All-State and First Team All-Conference. This past season as a senior, he averaged 16 points, eight assists and five rebounds per game.

“Kyle is as tough a competitor as there is,” says Coach Oseth. “He is physically ready to compete at the collegiate level. Kyle competed and succeeded in one of the toughest conferences in the largest class of basketball in the state. He has been very well-coached at Minnetonka High School by Head Coach John Hedstrom. He has a great ability to create for others and is an excellent defender. We think Kyle can contribute right away on the court, as well as be a team leader off the court.”

Broderick Schmidt, a 6’10 forward from Marion, S.D., is a three-time team MVP. He averaged 18 points, ten rebounds and five blocks per game during his senior season. Broderick is a three-time all-conference selection. He comes to UMC with a 3.9 GPA and was a member of the Fellowship of Christian Athletes and the National Honor Society.

Continued on page 2........
Men’s Basketball signs 6 players continued from page 1

“Broderick’s length and athleticism allow him the opportunity to do a wide variety of things on the court,” says Coach Oseth. “He’s an extremely hard worker and a total team player. He has the potential to be an excellent player in the NSIC. He comes from a great family and we’re looking forward to working with Broderick over the course of his collegiate career. We’re thrilled to have him join the Golden Eagle family.”

Broderick is the son of the late Dr. Bradley Keith Schmidt and Pamela Rose Schmidt.

Andrew Scott, a 6’9 center from LeSueur, Minn., has agreed to an institutional letter of intent. Scott lead his LeSueur-Henderson High School team in blocks and rebounds his sophomore and junior seasons. An anterior cruciate ligament tear during the football season of his senior year prevented him from playing basketball this past season.

“Andrew has great size for an incoming freshman,” says Coach Oseth. “At 6’9, 240 pounds and still growing, he has the potential to be able to play inside in the NSIC. We think that, when healthy, Andrew could be a top post player in our league. We’re very pleased that Andrew has decided to play his collegiate basketball at UMC.”

The six signees join third team All-Metro selection Damarius Cruz of Plymouth, Minn., Wisconsin State All-Star Mike Boebel of Marshall, Wis. and Andrew Albers of Kimberly, Wis. in the Golden Eagles 2009 recruiting class. Cruz, Boebel and Albers signed National Letters of Intent during the early signing period last November.

Student Achievement Recognized at U of M, Crookston during Annual Awards Ceremony; Seniors Erick Elgin and Tiffany Benning Named 2009 Man and Woman of the Year

The University of Minnesota, Crookston recently honored students with achievement and service awards at the annual Student Awards Reception. The ceremony is held each year to honor those who have made outstanding leadership and service contributions or who have achieved high academic standing at the University’s Crookston campus.

Twelve students received Student Achievement Awards, which the U of M, Crookston presents to recognize those students who have excelled not only academically, but also through leadership and service to the University and local community. Students receiving the Student Achievement Award were: Tiffany Benning, Eagle Bend, Minn.; Kaarina Visness, Karlstad, Minn.; Lhakpa Gurung, Kathmandu, Nepal; Kim Nelson, Cold Spring, Minn.; Eunhye Kang, Seoul, Korea; and Desiree Carrlson, New York Mills, Minn.; Erick Elgin, Mora, Minn.; Tony Dank, Sauk Rapids, Minn.; Nikolas Jiran, Hayden, ID; Raldy Romero, Miami Springs, Fla.; Alvin Tong, Singapore; and Ryan Boyer, Cadillac Mich.

From that group, two students were chosen as the “Man and Woman of the Year,” the year’s top academic, service and leadership award. Honors for 2009 go to U of M, Crookston Man of the Year Erick Elgin, Mora, Minn., a senior majoring in natural resources management and water resources management; and Woman of the Year Tiffany Benning, Eagle Bend, Minn., a senior with a major in animal science with a minor in communication.

Erick Elgin and Tiffany Benning are the 2009 Man and Woman of the Year.

Erick is the son of Beth Elgin and Don Elgin. Benning is the daughter of Gary and Bonnie Benning. Each student received a monetary award of $100.

Students also honored selected faculty and staff members with special awards. These awards are significant in that the entire UMC student body votes to select the award recipients. Awards for Most Creative Use of Technology, Outstanding Educator, and Most Supportive of Students all went to Pam Elf, Ph.D., associate professor in the Math, Science, and Technology Department. Outstanding Service to Students was awarded to Pam Sullivan, who oversees operations in the Eagles Nest.
Outstanding Student-Athletes

Earning Male and Female Student-Athlete of the Year honors were Cody Brekken (So., Linebacker, Crookston, Minn.) and Nicole Veres (Jr., Hunt Seat, Random Lake, Wis.)

Brekken was tenth on the Golden Eagle Football team in tackles with 40 total tackles (15 solo/25 assisted). He added one tackle for a loss, one sack and one pass break-up. On campus, Brekken is a member of the Student Athletic Advisory Committee (SAAC) and the Crookston Student Association (CSA). He attended the National Student Athlete Development Conference and the Pay It Forward Tour for Students Today Leaders Forever (STLF). Brekken is a sport & recreation management major and has a 3.378 GPA.

Veres is the 2008-09 captain of the Hunt Seat team. She was a double-qualifier for the Regional Championships at UW-River Falls. She placed third in the region in Novice Flat and scored 52 points throughout the season. Veres is a pre-veterinary medicine major and currently holds a 3.826 GPA.

The 2008-2009 Male and Female Outstanding Athletes of the Year were Paul Krebs (Sr., OF/P, Little Falls, Minn.) and Amanda Peterson (Jr., Western Team, Rochester, Minn.).

Krebs has started in all 25 games so far this season. He leads the team in runs scored with 21 and is second on the team in RBI’s with 14.

Peterson is a co-captain of the Western team. She was the overall Western high point rider in the region and qualified for Nationals in Murfreesboro, Tenn. on April 23-26. Peterson double-qualified for regionals in horsemanship and reining and was the high point or reserve high point rider in eight shows. She scored 75 points, good for top point earner recognition on the team and in the region. Peterson is also a member of SAAC.

Johnny Holm Band

The Johnny Holm Band will be performing at the University of Minnesota, Crookston on Wednesday, April 29, 2009. The dance will be in Lysaker Gymnasium from 9:30 pm to 12:30 am. Admission is free for U of M, Crookston students with their U-card; admission for all others is $8.

The Johnny Holm Band, comprised of some of the finest musicians in the Midwest, is the most widely known and traveled band in America. The band’s leader, Johnny Holm, dedicates the shows to the band’s fans who, in turn, do most of the entertaining. Visit the band’s Web site at www.johnnyholm.com.
Submit Your Video to the “I Love UMC” Video Contest -- You May Win $100

There is still time to enter the “I Love UMC” Video Contest -- sponsored by UMC University Relations.

We want to hear from students. In a YouTube video lasting three minutes or less, tell us and show us what you love about the University of Minnesota, Crookston. All currently enrolled University of Minnesota, Crookston students may enter.

Submit videos in two categories:
1) “Small Campus. Big Degree.” - What does this slogan mean to you?
2) “I Love My Major” - Why do you love your major? What do you do? What is unique about it at UMC?

PRIZES
A first place prize of $100 will go to the winning submission in each category.
A second place prize of $50 and an honorable mention prize will also be awarded.

After posting your video(s) to your account, send the URL video link(s) and your name to urUMC@umn.edu.

• All submissions must be posted and links sent by Midnight on Thursday, April 30, 2009.
• Winners will be announced by Noon on Tuesday, May 5, 2009.

Winning entries will be determined by a panel chosen by University Relations.

Residential Life
THINK GREEN.....

As you move out of the residence halls for the Summer, donate your old clothing and left over unopened food to the Care and Share. Bins will be available in the communal areas on first floor of all of the halls starting Friday, April 24th.

Thanks for you help!!!

Stress: Do you recognize it?
How do you manage it?

Your mind and body connection can be a powerful determinant of your ability to manage stress. A recent National Geographic Special entitled Stress: Portrait of a Killer, talks about "the stress response; in the beginning it saved our lives, making us run from predators and enabling us to take down prey. Today, human beings are turning on the same life-saving physical reaction to coping with 30-year mortgages, $4 a gallon gasoline, final exams, difficult bosses and even traffic jams—we can’t seem to turn it off. So we’re constantly marinating in corrosive hormones triggered by the stress response."

Is “stress” your killer?” Robert Sapolsky in Why Zebras Don’t Get Ulcers draws a parallel between animals i.e. zebras, living in balance with their environments, rarely if ever get ulcers. Only in transporting them to new environments, exposing them to extreme, unnatural, and unfamiliar experiences do they develop ulcers.

Beginning on Monday, April 27 UMC ATOD Spring Clean is about recognizing and managing stress in your life. We would like to introduce you to 1 to 3 minute destressors, live vegetable and fruit juices, neck and shoulder massage, yoga, Tai Chi Chih, and pressure point/reflexology. It’s a time to remember your own positive stress coping techniques and expose yourself to some others as we manage the paper(s), presentations, and finals of another school year.

Joke of the Week

Minnesota Crazy Laws

• Citizens may not enter Wisconsin with a chicken on their head.
• All bathtubs must have feet.
• A person may not cross state lines with a duck atop his head.
• All men driving motorcycles must wear shirts.
• It is illegal to sleep naked.

Hibbing
• It shall be the duty of any policeman or any other officer to enforce the provisions of this Section, and if any cat is found running at large, or which is found in any street, alley or public place, it shall be the duty of any policeman or other officer of the city to kill such cat.

Minneapolis
• Red cars can not drive down Lake Street

St. Cloud
• Hamburgers may not be eaten on Sundays.

Virginia
• You’re not allowed to park your elephant on Main Street.
The Minnesota Twins

The Minnesota Twins had a successful weekend series against the Cleveland Indians taking two out of the three games played in the series. Cleveland was struggling at the plate in the first two games against great pitching by the Twins.

In Friday night’s game Nick Blackburn kept the Indians off balance mixing his fast balls and off speed pitches for the victory.

In Saturday night’s game Slowey (3-0) threw 8 scoreless innings and the twins pulled off the win 7-1 thanks to two solo home runs by the red hot Jason Kubel.

Joe Mauer May Be Making an Early Return off the Disabled List!

The Minnesota Twins Catcher and Minnesota native Joe Mauer could rejoin the club as early as Tuesday after spending time on the disabled list with a sore lower back.

“He feels really great right now,” said Minnesota manager Ron Gardenhire, who spoke with Mauer on Saturday.

Mauer hasn’t played with the Twins yet this season but has been easing his way back into his swing and catching duties with some playing time on the Class-A Fort Myers team. On Friday he was 2-for-4 with 2 RBIs and caught for seven innings.

The twins want to make sure he is completely healed and ready before he returns, but it looks like it will be earlier than expected.

Swine Flu and University Preparedness

As you may be aware, the federal government has declared a public health emergency as a result of several confirmed cases of swine flu in the U.S. This declaration is described as “standard operating procedure” to free up federal resources to combat the virus. It is expected that more cases will be confirmed in the coming days, but none in the U.S. have resulted in death.

Public agencies, including the University of Minnesota, have been actively preparing for the potential of a pandemic for a number of years. Although the swine flu has not been declared a pandemic, there are plans and procedures in place to ensure an effective response, particularly if the situation changes over time.

Currently, there are no changes to University operations or activities as a result of swine flu. University leaders, health services, public health, and emergency management personnel are beginning the early implementation phase of our response plan, as appropriate.

The University is committed to providing up-to-date information on swine flu and how it impacts us. We are fortunate to be the home to the Center for Infectious Disease Research and Policy (CIDRAP), which is at the forefront in planning and researching these critical public health issues. The best thing everyone can do at the present time is to monitor events as they develop and know where to go for accurate, timely information.

At this point it is best not to panic, but rather take a look at the everyday things we can do to stay healthy. Please take a look at the following recommendations from the CDC to stay Healthy EVERYDAY!

There are everyday actions people can take to stay healthy.

- Cover your nose and mouth with a tissue when you cough or sneeze. Throw the tissue in the trash after you use it.
- Wash your hands often with soap and water, especially after you cough or sneeze. Alcohol-based hands cleaners are also effective.
- Avoid touching your eyes, nose or mouth. Germs spread that way.

Try to avoid close contact with sick people.

- Influenza is thought to spread mainly person-to-person through coughing or sneezing of infected people.
- If you get sick, CDC recommends that you stay home from work or school and limit contact with others to keep from infecting them.

www.cdc.gov/swineflu/

If you have any questions or concerns, please feel free to contact Tom Feiro x8300, or Stacey Grunewald x8512.
The Minnesota Board of Peace Officer Standards & Training (POST) has approved the certification of the criminal justice program in the Arts, Humanities and Social Sciences Department at the University of Minnesota, Crookston. The certification means graduates from the U of M, Crookston are eligible to become licensed police officers in Minnesota. The program, under the direction of David Seyfried, is the only certified criminal justice program in the University of Minnesota system.

Understanding the criminal justice system and the law, while gaining skills in communication and management, are important aspects of program. Whether new to the field or currently employed in it, students can earn a bachelor of science degree with either a corrections or law enforcement emphasis.

“The Crookston campus offers a criminal justice degree focused on application and one that provides an interdisciplinary approach,” said Jack Geller, Ph.D., head of the Arts, Humanities and Social Sciences Department. “Our students will be equipped to become licensed police officers or move into a graduate degree program to pursue further study.” Students who are interested will be prepared to continue graduate study in fields such as political science, law, criminology, public administration, psychology, forensics, and social work.

For the past ten years, the Crookston campus has offered criminal justice classes through its degree programs in law enforcement aviation and natural resources law enforcement. The Crookston campus decision to offer a bachelor of science in criminal justice was approved by the U of M Board of Regents in May 2008. Providing in-depth, hands-on learning in research, theory, management, and intervention that are unique to the criminal justice field are a focus of the program.

As the program’s director, Seyfried brings experience as a licensed police officer in Minnesota. He has served as a deputy with both Ottertail and Polk counties in the state and as director of public safety at Augustana College in Sioux Falls, S.D. Seyfried completed his bachelor’s degree at the University of Minnesota, Morris and his graduate degrees at the University of Minnesota, Twin Cities.

Third Annual “Walk With Bill” Successful -- Over $7,000 Raised

Bill Tyrrell’s time was one hour and forty minutes at Ed Widseth Field. Bill wishes to thank the student athletes who walked with him to help raise money for U of M, Crookston athletics.

A big thank you goes to Crookston National Bank, the sponsor for the food and beverages.

Athletic coaches grilled the polish sausages. We wish to thank all of those who contributed to make this event a success. Athletic Scholarship donations are still being accepted.
Commencement exercises for the Class of 2009 at the University of Minnesota, Crookston are scheduled for Saturday, May 9, 2009. A pre-commencement reception will take place from 11 a.m. to 1 p.m., in the Student Center Northern Lights Lounge. Commencement will begin at 2 p.m., in Lysaker Gymnasium in the Sports Center. All friends and family are invited to both the reception and ceremony.

Senior Vice President for System Academic Administration Robert J. Jones will give the commencement address. He has held administrative positions at the University for the past 20 years including his current position as the senior vice president responsible for all academic administration and outreach throughout the state and the University system, including day-to-day management for the campuses in Crookston, Duluth, Morris, and Rochester.

At 2 p.m., the formal procession of faculty, candidates for degrees, and platform guests will be led by Mace Bearer William Peterson, professor in the Math, Science, and Technology Department. The procession also includes Faculty Marshal Bernard Selzler, Ed.D., professor in the Arts, Humanities, and Social Sciences Department. Bringing greetings from the University of Minnesota Board of Regents is the Honorable Clyde Allen, Jr., vice chair of the board, who will also assist with the conferring of the degrees.

At 2 p.m., the formal procession of faculty, candidates for degrees, and platform guests will be led by Mace Bearer William Peterson, professor in the Math, Science, and Technology Department. The procession also includes Faculty Marshal Bernard Selzler, Ed.D., professor in the Arts, Humanities, and Social Sciences Department. Bringing greetings from the University of Minnesota Board of Regents is the Honorable Clyde Allen, Jr., vice chair of the board, who will also assist with the conferring of the degrees.

Crookston Student Association President Marshall Johnson a graduating senior with a major in business management, will speak on behalf of the student body. A new torch, representing the flame of education and a longstanding tradition at the U of M, Crookston, will be passed from Johnson to incoming student body president Thomas Haarstick, an agricultural systems management major from Vergas, Minn.

U of M, Crookston Alumni Association President Cindy Bigger, ’79, will welcome the Class of 2009 into the alumni association.

The U.S. Air Force ROTC Det. 610 from the University of North Dakota will present the colors, and Senior Deborah Halstad, Fertile, Minn., will lead the singing of the Star Spangled Banner.

The U of M, Crookston choir, under the direction of George French, and the string ensemble, A Touch of Brass will perform as part of the graduation ceremony.

The 2008 commencement exercises mark the 101st graduating class recognized on the Crookston campus.

**U of M, Crookston Alumni Association President Cindy Bigger,**

**Marshall Johnson**

CSA President

**Robert J. Jones**

Sr. Vice President for System Academic Administration

**U of M, Crookston Alumni Association President Cindy Bigger,**
First Round Selections:
1. Detroit, Matthew Stafford, QB, Georgia.
2. St. Louis, Jason Smith, OT, Baylor.
3. Kansas City, Tyson Jackson, DE, LSU.
5. New York Jets (from Cleveland), Mark Sanchez, QB, Southern Cal.
7. Oakland, Darrius Heyward-Bey, WR, Maryland.
10. San Francisco, Micheal Crabtree, WR, Texas Tech.
12. Denver, Knowshon Moreno, RB, Georgia.
15. Houston, Brian Cushinh, LB, Southern Cal.
17. Tampa Bay, (from N.Y. jets through Cleveland) Josh Freeman, QB, Kansas State.
19. Philadelphia (from Tampa Bay through Cleveland) Jeremy Maclin, WR, Missouri.
20. Detroit, (from Dallas), Brandon Pettigrew, TE, Oklahoma State.

22. Minnesota, Percy Harvin
WR, Florida.
23. Baltimore, (from New England), Micheal Oher, OT, Mississippi.
24. Atlanta, Peria Jerry, DT, Mississippi.
27. Indianapolis, Donald Brown, RB, Connecticut.
30. Tennessee, Kenny Britt, WR, Rutgers.
31. Arizona, Chris Wells, RB, Ohio State.
32. Pittsburgh, Evander Hood, DT, Missouri.

It is going to be exciting to see what Percy Harvin can do next to Adrian Peterson for the Vikings in the 2009 season. He has questionable character with reports of him failing the drug test at the combine with traces of marijuana in his urine, and also questionable durability having had an ankle injury that kept him out of some games last season for Florida. Something no one can question is Percy Harvin’s ability to be a threat to take it to the house everytime he touches the ball, which will win the hearts of many Viking fans next season if he can stay healthy. Another question Viking fans find themselves asking is who will throw him the ball next season?
Brain Teasers

Last week’s winner is Tori Kolo. Tori can pick up her free movie pass from Meloni in 236 Student Center. This is the final edition of the Eagle’s Eye for this academic year. The Brain Teaser will return next fall.
