Mary was forced to use both of their timeouts as UMC went on to the decisive 15-5 set victory and 3-2 (25-21, 25-23, 18-25, 18-25, 15-5) match victory. The Wolves battled and took sets three and four before UMC finished NSU off in set five 15-8 to take the 3-2 (25-20, 25-19, 32-34, 20-25, 15-8) victory. The Golden Eagles as a team, set season highs in kills with 63 and total attacks with 189 in the match. Leading the way offensively was Amber Meyer (OH, 6-2, SO, Paxton, Neb.) who recorded 19 kills on a season high 47 total attacks. Allison Zajicek (MH, 6-0, SR, Beatrice, Neb.) played a fantastic match finishing with 12 kills and a season and team high .667 (12K-0E-18TA) attack percentage. Andrea Hubbell (MH, 6-1, SO, Isle, Minn.) played one of the best matches of her career. She finished with a season high 14 kills and four (1 solo, 6 assisted) total blocks. Setter Cassie Yates (S, 5-10, SR, Buffalo, Minn.) set a new season best, assisting on 54 of the 63 total kills. She also added a new season high with 17 defensive digs. Jaclyn Slepicka (Lib., 5-2, JR, Crystal Lake, Ill.) recorded 22 defensive digs on the night to lead UMC. The Golden Eagles earned nine service aces in the match to help them in the victory.

Quitting is tough
Submitted Article

If you are one of our friends, colleagues, students, staff or faculty who is currently using tobacco in some form, your non-using friends, colleagues, students, staff and faculty partners would urge you to ask yourself, at some quiet moment when you can be brutally honest with yourself, “Why?” Make a list of the whys and then with no one looking on, start your list of the why nots. Maybe that why not list will include the names of loved ones, or money that you’ll save in a day, week or year if you quit. Maybe your list will identify a level of physical wellness that you hope to maintain, or just a desire to be free of nicotine dependence. Whatever you place on that list will represent the beginning of a tobacco-free future for you.

For more information, go to QUITPLAN.com On campus, contact Stacey Grunewald, Vicki Svedarsky or Laurie Wilson. Quitting is hard. You need a plan.

College Republicans support the following candidates

Submitted article Submitted article Submitted article Submitted article Submitted article

John McCain-Sarah Palin: We the college republicans at UMC support John McCain and Sarah Palin to be our next President and Vice President of the United States of America. Senator McCain is the only candidate with a real plan to get our economy back on track, by keeping taxes low and helping grow business, which will grow jobs and get America back on track. He’ll veto any pork barrel bill to come across his desk and he’ll make those authors famous. Senator McCain believes our healthcare ought to stay in our own hands not with a bureaucrat standing between you and your doctor. On energy Senator McCain believes we ought to have an all of the above approach, which included wind, tide, solar, natural gas, clean coal, nuclear, offshore oil drilling, among others. This will stop us from sending billions of dollars to countries that don’t like us very much. Senator McCain has been right on nearly every foreign policy decision in the last 20 years. He knows how to win this war on terror, he was a supporter of the surge when it wasn’t popular. A while back he said “I’d rather lose an election than lose a war.” Senator McCain believes parents should be able to send their children to a school that will prepare children best, rather than staying in a failing school. For those in higher education he wants to simplify higher education tax benefits, simplify federal financial aid, and fix the student lending programs. Senator McCain believes we ought to overturn Roe vs. Wade, which in his eyes was a flawed decision. Senator McCain has put his country first all his life, and will continue to do so.

Norm Coleman for U.S. Senate: We believe Senator Coleman has the experience and qualities to represent our great state of Minnesota in D.C. With the economy being the number one issue in this election we support Senator Coleman’s 8 Point Plan. This includes: 1. Spending caps with real consequences (entitlement programs and emergencies exempt) 2. Freeze Congress’s pay 3. Pay as you go enforcement, requires all tax cuts and new spending be paid for (current tax cuts exempt as to avoid raising middle class taxes) 4. Require President to submit spending cuts to congress 5. Line item veto authority for earmarks 6. Close the tax gap 7. Shut down tax loopholes and havens 8. Protect Social Security and Medicare. We believe as Senator Coleman believes that our best days are ahead of us, and with Senator Coleman representing us in Washington, we’ll see those days.

Glen Menze for U.S. House: “What is best for America is to elect regular citizens who will use common sense, which would be something new for Washington.” Glen Menze. We believe Glen Menze has the values needed to serve as our U.S. Representative. He believes we need to make our tax cuts permanent and cut spending. He believes we need to work for small business and remove federal job killing regulations which will require less paperwork. Glen Menze also supports an all of the above approach to energy, such as that of Senator McCain’s proposal. With Glen Menze serving as our U.S. Representative we’ll have common sense that is working for us.

Lonn Kiel for State Representative: “When I first ran six years ago, I said we need real solutions to strengthen northwest Minnesota. I said we needed a culture of innovation for the region to create jobs. I said we needed better schools, and to do that we need better jobs. I said our healthcare system needs reform, so our elderly have dignity and our ill get healthy. I said this six years ago, and I’m still having to say it today. It’s time for real results for the region.” - Lonn Kiel

We believe Lonn Kiel will cut taxes and cut unneeded regulations which will allow us to grow our job base and in return increase jobs. He is a pro-life candidate that believes every child deserves a shot at life, and he’ll vote that way. Lonn Kiel believes students in Northwest Minnesota deserve the same treatment as those in the Twin Cities area, and he’ll fight for it.

With all that said, we hope you look at voters guides and look at non-partisan sources and we can assure you you’ll support John McCain for President, Norm Coleman for U.S. Senate, Glen Menze for U.S. House, and Lonn Kiel for State Representative. Stand up with us, and fight for what’s right, we can assure you, these candidates will work day in and day out for you.
