W.O.W. Event
Mentalist Wayne Hoffman
Wednesday, March 10, 2010
7 p.m., Kiehle Auditorium
Sponsored by S.P.A.C.E.

Wayne Hoffman was raised by his single mother in a small town in Pennsylvania. At a young age Wayne’s mother gave him a magic set and this sparked Wayne’s lifelong passion. Even though only starting his craft at the age of seven Wayne was performing professionally by the age of fifteen, and by the age of eighteen Wayne was touring the US performing his show “Mind Candy”. Wayne pursued college after high school but soon found himself bored of standard studies. After a tragic death of a loved one, Wayne developed a new view of life and decided to leave college and pursue his dream.

Through extensive self studies in sociology, psychology, and human behavior Wayne was able to develop the foundation of his skills today. Wayne now travels the world performing and speaking for some of the most exclusive events and tops corporations in the world. Wayne regularly tours the world sharing his presentations involving body language, human behavior, and understanding the human mind. Recently Wayne was featured on NBC’s hit TV show “Phenomenon” where he performed for millions of viewers on live television; he has also appeared on various other television networks including TLC, CNN, and the Discovery Channel. Wayne continues to be acknowledged as one of the top speakers in his field and was ranked as one of the top ten mentalists in the world.

Volunteer Opportunities

* **Care and Share** Volunteers are needed at the Care and Share Thrift Store in the sorting room. Hours are flexible, but one 3-hour shift or 2 2-hour shifts per week are preferable. For more information, please contact Carol Gregg at 281-2644.

* **Volunteer Opportunity** The Villa St. Vincent, an assisted living center in Crookston, is looking for a few people to help residents learn a new computer program. The program is on a computer on a cart that can be wheeled from room to room. It has a large touch screen. The program has social networking capabilities. Residents also can play video and games. Hours are very flexible. For more information, please contact JeanAnn Bienek at 281-9723 or jean.bienek@bhshealth.org.

* **Humane Society**: The Humane Society is run by volunteers. There is a huge need for volunteers to help clean cages from 9:30 – 10:30 or 11 a.m. every day. Additionally, dogs love to be walked! Get some exercise and share a walk with a very appreciative friend! The Polk County Humane Society is located at 720 East Robert Street. Please contact Mary Solberg or Tracy Janisch at 281-7225 to schedule a time to volunteer.

* **Crookston Storefronts**: The Beautification Committee, part of the Crookston Chamber of Commerce, is hoping to clean up storefronts in Crookston and has offered us a great deal! If you have a club or organization that you would like to “advertise” in a local storefront and are willing to help clean up the window display area, they will work with you to make it happen. For more information, please contact Lori Wagner or Sandy Kegler at the CVB, 281-4320.

* **Teaching Assistants**: Crookston Head Start provides high quality, comprehensive services to high-risk children and their families. Community volunteers are invited to assist in the preschool classrooms. Kids and teachers love the extra help and attention with the curriculums, which include everything from reading, helping with projects, physical activities, working in small groups, singing, tying shoes...etc. It’s lots of fun and never a dull moment! Classrooms run Monday-Thursday from 8 a.m. - 12:30 p.m. For more information, please contact Angie Lockwood at 281-0547.

* **Youth mentors/family partners** are needed for youth or families with children who have mental health disabilities. Mentors serve as a friend, listener, tutor, coach, and confidant. For more information, please contact Norma Campos at 701-335-4191 or norma@tvoc.org.

* **North Country Food Bank** is looking for assistance with their backpack and food distributions programs. Each month they fill 1700 boxes and 500 backpacks. Please contact Lori Tate or Suzie Novak at 281-7356 for more information.

* **Share your talents at the Care and Share!** Our local homeless shelter is at full capacity. Volunteers are needed to assist with a variety of tasks including covering an evening or overnight shift, assisting with office work, or teaching an activity or hobby. Volunteers in the past have taught art lessons to kids, organized volleyball tournaments, assisted with résumé writing and computer skills, cooked and served dinner, planted flowers and lots of other things! For more information, please contact Carol Gregg or Rachel Trontvet at 281-2644.

* Library Assistant: Volunteers are needed to assist in the Cathedral Library. Books need stickers placed on spines and to be reshelved. For more information, please email Ardith Pelton at ardithpelton@yahoo.com.

*National Youth Service Day* is Saturday, April 24. The morning will be spent doing community service projects around Crookston. For planning purposes, Lisa Loegering needs a fairly accurate count of the number of participants so that I can plan the number of projects. The first 50 people to sign up on the bulletin board outside Lisa Loegering’s office (247 Sargeant Student Center) will get a free water bottle! This would be a great community service project for a club.

*The Month of the Young Child Family Fun Festival* will be a Dr. Seuss event this year on April 20, from 5:30 - 8 p.m. I am looking for help with various activities: 6-8 students to help set up tables at Crookston High School commons around 3:30 p.m., 3-4 students to staff a Dr. Seuss bean bag toss, 3-4 students to help with other Dr. Seuss events put on by other community members, 3-4 students to help serve pizza, 1 student to wear the Cat in the Hat costume and interact with the kids. Those who work at the event also need to help clean up. (Most organizations clean up their own tables, but they might need a little help carrying things. Clean up usually takes 15-20 minutes.) This is a fun event that the community really loves to attend with their children. Please email Lisa Loegering at loege005@umn.edu to sign up for a particular job.

Campus Master Plan

A new website has been set up to host information regarding the U of M, Crookston master plan, which is being updated for the next 5-10 year window. www.umcrookston.edu/masterplan

The Crookston campus master plan establishes a framework to guide the evolution of the campus environment to support the academic mission. Currently on the website you will find the draft master plan document and the information that was presented at the Thursday Commons session on February 4. As the development and refinement of the plan move forward, additional resources and information pieces may be added.

Students, faculty, and staff are encouraged to review the information and provide feedback using the comment sheet, also available on the site. Feedback should be given by March 15, 2010, so it can be compiled and reviewed before the plan is finalized. Some of the proposed buildings in the master plan include a new residence hall, a Wellness Center, expanding UTOC and expanding parking. If you want to have a say in how the campus will look for future students, please provide feedback on the campus master plan. Your feedback does matter.

The goal is to present a finalized, updated plan for approval by the U of M Board of Regents in late spring/early summer 2010.
