New Evergreen Grill Stays Busy

The Evergreen Grill started as an idea from Residential Life and became reality when the establishment opened up for business in the new residence hall. The new food venue is entirely run by student employees, with 3 student managers and 7 workers total. The grill bears similarities to the Eagles Nest in the Sahlstrom Conference Center but their differences result in the two venues complementing each other well. While the Eagles Nest is open during the day so students can grab a bite between classes, the Evergreen Grill is open at night and seems to be geared towards on-campus students. As the name implies, the Evergreen Grill also offers more grill items than the Eagles Nest so students can have a full supper in their dorm.

The most popular items at the Evergreen Grill are burgers and chicken tenders, with philly cheese steaks starting to increase in popularity. The grill also serves appetizers such as mozzarella sticks, as well as soup and chili. For the Sunday crowd, specials on big pizzas and wings will be starting soon. The food at the Evergreen Grill attracts a wide range of people, including plenty of upperclassmen. “We’re starting to get lots of regulars that come get supper here every night,” student manager Ryan Ellingson said. Students can purchase their items with Eagle Bucks or cash. Both the Evergreen Grill and the Eagles Nest will also be getting credit card machines soon.

Since the opening of the grill just under a month ago, it has seen steady business. “It’s gotten busier since we lowered our prices about 2 weeks ago,” Ellingson stated. This price decrease is demonstrated by the fact that with the same amount students previously would have spent on just one hamburger alone, they can get a hamburger combo (burger, fries and a drink). A ¼ lb hamburger costs just $2.69, with a combo being $4.75. With these prices, the Evergreen Grill tends to stay busy throughout the night, even until closing at midnight.

**Tutoring Services Available in AAC/SSS Offices**

The Academic Assistance Center / Student Support Services (AAC/SSS) offers a service campus wide to students whether first entering the institution or Juniors and Seniors. We understand that everyone could use a helping hand from time to time with their course work. For those who request it, we offer Academic Tutors, made up of students recommended by your instructors, to help out with your courses. Many of our Academic Tutors have also taken advantage of this service in the past, just like you, so they understand what it is like to need a little “helping hand” in certain classes. Come visit us at 270 Owen (Second floor of the One Stop) to see what we have to offer and/or pick up a request for assistance card at the front desk to get the help you need and make a few new friends along the way. This is free to all students.

Towards the middle of November you can return your book to APA and get a new copy with all the errors fixed after the new 6th Edition is printed in November. If you want to sell your book after this semester it may be a good idea to get it replaced in December, because a book with lots of loose paper additions to it just will not sell and the first printing will be rather useless without the corrections. To return the book you can contact APA at: Order@apa.org or telephone number 1-800-374-2721 to find out how to get the book replaced. I asked them if it is possible that the books can be returned via the bookstore and they are not sure at this time. In due time this may be the best way to get the books replaced.
