On Tuesday, March 8, from 1:00 p.m. – 6:00 p.m. a passport drive will be held in the Northern Lights Lounge. Expect to get the passports back in 3 – 6 weeks which is good timing if you want to go fishing in Canada or take that great vacation to China over the summer.

What is the difference between a passport card and a passport? The Card will only let you drive into another country. It will not allow you to fly into another country.

What about pictures? The Learning Abroad Office will produce pictures so you will not need the pictures ahead of time. We have the passport camera so all the dimensions will be correct.

What is the cost of the picture? $5.00 for students, $10 for faculty staff and the Greater Crookston Community. So what do you need to bring on that day?

1. A picture ID
2. Information on Parents birthdates and where they were born. (they will ask this question on the form)
3. A valid Birth Certificate with an original seal (copies will not be accepted)
4. 3 Checks if you only have cash they can process a cashiers check on the spot.
   a. $110.00 check made payable to the Dept. of State
   b. $25 check (they will assist you on who to make it payable to)
   c. $5 or $10 check made payable to UMC for photos

Reception and Panel Discussion featuring Women in Leadership Highlight Women’s History Month at U of M, Crookston on Tuesday, March 8, 2011

With International Women's Day on Tuesday, March 8, 2011, the University of Minnesota, Crookston has set aside the day to recognize Women's History Month on the campus. A reception and panel discussion featuring women in leadership from the region will begin at 4:30 p.m. in the Prairie Lounge, Sargeant Student Center. The community and campus are invited to the reception and panel discussion.

The members of the panel are women who have inspired us all with their leadership, passion, and daring including: Barb Erdman, Polk County sheriff; Racha Khodr, a teaching specialist in the Liberal Arts and Education Department; and Senior Halie Kang, a health sciences major from Seoul, South Korea, among others.

The theme for International Women's Day is "The Rising of the Women is the Rising of Us All" and recognizes the contribution of women across the globe and throughout history. International Women's Day has been observed since in the early 1900's, a time of great expansion and turbulence in the industrialized world that saw booming population growth and the rise of radical ideologies. 2011 marks the global centenary year for International Women's Day - 100 years since the first International Women's Day event. More than one million women and men attended rallies in 1911.

President Carter issued a presidential proclamation declaring the week of March 8, 1980, as the first National Women's History Week. Later, in 1987, Congress expanded the week into a month recognizing March as officially National Women's History Month. For more information, visit www.nwhp.org.

UMC Enters 2011 RecycleMania. Pitch In!

The Crookston Students for Sustainable Development (CSSD) and the UMC Sustainability Committee are proud to announce that UMC has entered a nation-wide recycling competition called RecycleMania. Over 575 colleges and universities will be participating in the 2011 RecycleMania competition that begins on January 23 and runs through April 2. The goal of this competition is to increase awareness of campus recycling. All participating schools are required to report measurements (pounds of recycled materials divided by campus population) on a weekly basis. The school that collects the most recyclables in a variety of categories per capita wins!

Let’s set a goal of placing 100% of our beverage containers and paper products in the appropriate recycling bins throughout campus. Cardboard should be flattened and placed behind the recycling bins. Student organizations will collect the recyclables and place them in outside containers for pick-up and weighing.

The Golden Eagles competed against Carleton College, Gustavus Adolphus College, North Dakota State University, the University of Minnesota-Twin Cities, South Dakota State University, St. Cloud State University, the University of Wisconsin-Eau Claire and the host Falcons. Sunday’s show was cancelled due to the snow storm that hit the Twin Cities.

Saturday’s competition started off with a win from Laura Critchett (Senior) in Open Equitation Over Fences and a second place finish from Sara Wells (Senior). Denise Thompson (Freshman) took third in her Novice Equitation over Fences and Novice Equitation on the Flat sections. Jessica Charles (Sophomore) took third her Novice Equitation Over Fences section. Chelsea Vandenhemel (Freshman) placed third in Intermediate Equitation on the Flat. The Golden Eagles finished in second place as the Reserve High Point Team behind South Dakota State University.

“Overall, I was very pleased with how well the team worked together and helped each other through the highs and lows of the day,” says U of M, Crookston Head Coach Brooke Leininger. “They rode well and have come quite far since the last competition in November. It’s exciting to see how much they’ve improved and I am looking forward to a great home competition on March 5.

**Project Clean Water for Everyone**

SIFE is starting a project that centers on providing water purification tablets and aid packages to children and families around the world in need for clean water to eradicate diseases such as Cholera and Tuberculosis. Their main goals are to establish effective communication with third parties in the countries in which aid is being sent such as Ghana, Haiti, and Sudan and to purchase aid packages to be sent. Currently the tasks that need to be accomplished have been divided into teams: communication, fund raising and treasurer, packaging, and awareness. The goals that have already been accomplished are establishing third parties in Ghana through University students and churches and they have begun to find water purifiers that are reasonably priced. In their timeline we are in the awareness and fund raising throughout campus and the Crookston area phase as well as purchasing the resources needed to send the aid packages. The next step will occur between March 15 – April 15 and this step is to send out the aid packages. If you are interested in being a part of this project you can join one of the designated teams, make donations of your time, money, or ideas, or get your club to work with SIFE to make this a campus wide project. Any questions or comments should be directed to Abbey Wemimo Samson at abbey010@umn.edu.

Preemptive Sandbagging

March is approaching, and that means flood season! Those of you who were around two years ago likely remember the emergency flood fight of 2009. In an effort to better prepare, we, as well as Crookston High School students, have been asked by city officials to assist with sandbagging efforts BEFORE it becomes a very stressful emergency.

A mass effort will be held next Wednesday, March 9 from 9 a.m. to 4:30 p.m. in the Jerome’s Addition near the old hockey arena. Vans will be transporting students beginning at 8:30 a.m. from Parking Lot A just outside the north entrance of the Sargeant Student Center by the Info Desk. Transportation will be provided throughout the day, so please consider coming between classes. Please dress in layers, and wear clothes and gloves you don’t mind getting dirty. (If you don’t have gloves, there will be some available in the vans.) Also, please wear footwear that can withstand mud. Those who ride in the vans will receive $2 compensation for laundry.

For those who would like to help but whose backs are not up for slinging sandbags, you can assist the Salvation Army by distributing sandwiches and water. Please reply to Lisa Loeging (loege005@umn.edu) if you would like to sign up to serve food.
