From the director of ‘The Pirates of the Caribbean’ comes ‘Rango,’ featuring Johnny Depp in an original animated comedy-adventure that takes moviegoers for a hilarious and heartfelt walk in the Wild West. The story follows the comical, transformative journey of Rango (Depp), a sheltered chameleon living as an ordinary family pet, while facing a major identity crisis. After all, how high can you aim when your whole purpose in life is to blend in? When Rango accidentally winds up in the gritty, gun-slinging town of Dirt – a lawless outpost populated by the desert’s most wily and whimsical creatures – the less-than-courageous lizard suddenly finds he stands out. Welcomed as the last hope the town has been waiting for, new Sheriff Rango is forced to play his new role to the hilt...until, in a blaze of action-packed situations and encounters with outrageous characters, Rango starts to become the hero he once only pretended to be.

After the death of his father King George V (Michael Gambon) and the scandalous abdication of King Edward VIII (Guy Pearce), Bertie (Colin Firth) who has suffered from a debilitating speech impediment all his life, is suddenly crowned King George VI of England. With his country on the brink of war and in desperate need of a leader, his wife, Elizabeth (Helena Bonham Carter), the future Queen Mother, arranges for her husband to see an eccentric speech therapist, Lionel Logue (Geoffrey Rush). After a rough start, the two delve into an unorthodox course of treatment and eventually form an unbreakable bond. With the support of Logue, his family, his government and Winston Churchill (Timothy Spall), the King will overcome his stammer and deliver a radio-address that inspires his people and unites them in battle.

Passport Drive

On Tuesday, March 8, from 1:00 p.m. – 6:00 p.m. a passport drive will be held in the Northern Lights Lounge. Expect to get the passports back in 3 – 6 weeks which is good timing if you want to go fishing in Canada or take that great vacation to China over the summer.

What is the difference between a passport card and a passport? The Card will only let you drive into another country. It will not allow you to fly into another country.

What about pictures? The Learning Abroad Office will produce pictures so you will not need the pictures ahead of time. We have the passport camera so all the dimensions will be correct.

What is the cost of the picture? $5.00 for students, $10 for faculty staff and the Greater Crookston Community. So what do you need to bring on that day?

1. A picture ID
2. Information on Parents birthdates and where they were born. (they will ask this question on the form)
3. A valid Birth Certificate with an original seal (copies will not be accepted)
4. 3 Checks/if you only have cash they can process a cashiers check on the spot.
   a. $110.00 check made payable to the Dept. of State
   b. $25 check (they will assist you on who to make it payable to)
   c. $ 5 or $10 check made payable to UMC for photos

If you have any questions contact Rae French in the Learning Abroad Office at rfrench@umn.edu or 218-281-8339.

Reception and Panel Discussion featuring Women in Leadership Highlight Women’s History Month at U of M, Crookston on Tuesday, March 8, 2011

With International Women’s Day on Tuesday, March 8, 2011, the University of Minnesota, Crookston has set aside the day to recognize Women’s History Month on the campus. A reception and panel discussion featuring women in leadership from the region will begin at 4:30 p.m. in the Prairie Lounge, Sargeant Student Center. The community and campus are invited to the reception and panel discussion.

The members of the panel are women who have inspired us all with their leadership, passion, and daring including: Barb Erdman, Polk County sheriff; Racha Khodr, a teaching specialist in the Liberal Arts and Education Department; and Senior Halie Kang, a health sciences major from Seoul, South Korea, among others.

The theme for International Women’s Day is “The Rising of the Women is the Rising of Us All” and recognizes the contribution of women across the globe and throughout history. International Women’s Day has been observed since in the early 1900’s, a time of great expansion and turbulence in the industrialized world that saw booming population growth and the rise of radical ideologies. 2011 marks the global centenary year for International Women’s Day - 100 years since the first International Women’s Day event. More than one million women and men attended rallies in 1911. President Carter issued a presidential proclamation declaring the week of March 8, 1980, as the first National Women’s History Week. Later, in 1987, Congress expanded the week into a month recognizing March as officially National Women’s History Month. For more information, visit www.nwhp.org.

SIFE is starting a project that centers on providing water purification tablets and aid packages to children and families around the world in need for clean water to eradicate diseases such as Cholera and Tuberculosis. Their main goals are to establish effective communication with third parties in the countries in which aid is being sent such as Ghana, Haiti, and Sudan and to purchase aid packages to be sent. Currently the tasks that need to be accomplished have been divided into teams: communication, fund raising and treasurer, packaging, and awareness. The goals that have already been accomplished are establishing third parties in Ghana through University students and churches and they have begun to find water purifiers that are reasonably priced. In their timeline we are in the awareness and fund raising throughout campus and the Crookston area phase as well as purchasing the resources needed to send the aid packages. The next step will occur between March 15 – April 15 and this step is to send out the aid packages. If you are interested in being a part of this project you can join one of the designated teams, make donations of your time, money, or ideas, or get your club to work with SIFE to make this a campus wide project. Any questions or comments should be directed to Abbey Wemimo Samson at abbey010@umn.edu.

UMC Enters 2011 RecycleMania. Pitch In!

The Crookston Students for Sustainable Development (CSSD) and the UMC Sustainability Committee are proud to announce that UMC has entered a nation-wide recycling competition called RecycleMania. Over 575 colleges and universities will be participating in the 2011 RecycleMania competition that begins on January 23 and runs through April 2. The goal of this competition is to increase awareness of campus recycling. All participating schools are required to report measurements (pounds of recycled materials divided by campus population) on a weekly basis. The school that collects the most recyclables in a variety of categories per capita wins!

Let's set a goal of placing 100% of our beverage containers and paper products in the appropriate recycling bins throughout campus. Cardboard should be flattened and placed behind the recycling bins. Student organizations will collect the recyclables and place them in outside containers for pick-up and weighing.
