**NEW Maroon & Gold Initiatives**

Starting Friday, February 25, 2011 and run through April 29, 2011 UMC will implement a new school spirit initiative. Regal will be wandering the campus hallways every Friday sometime between 11:00 a.m. and 1:30 p.m. looking for students wearing Maroon & Gold. Regal will offer a chocolate egg to all students wearing our colors. There will be six (6) maroon wrapped chocolate eggs mixed amongst other chocolate eggs in a large Golden Eagle Egg. Students who randomly pick a maroon egg will receive a $5 gift certificate for the UMC Bookstore. The Bookstore will also offer these students a 20% discount when they redeem these gift certificates. Weekly winners will have their pictures posted on the campus’ digital displays during the following week.

In another Maroon & Gold Friday initiative, the UMC Bookstore will give students, faculty and staff 20% off all purchases on Fridays to customers wearing Maroon & Gold. This offer will be available through April 29, 2011. These spirited customers will also have their name entered into a drawing for a large prize (i.e. I-Pod). The drawing will be held at 3:00 p.m. on Friday, April 29, 2011. The winner will be announced and posted on the campus digital displayed.

Volunteer Opportunities

Flood Assistance: In the event that citizens are evacuated and need shelter for themselves and their pets, UMC will be assisting in several ways. Obviously, we don’t have dates or times, but please think about these opportunities and let me know if I can put you on an “on-call” list for the following jobs:
1. Set up Lysaker Gym with tarp, cots, tables, chairs and supplies
2. Facilitate activities for children, especially if families will be here for more than a day or so.
3. Pet Evacuation Shelter is being co-established on campus for families staying in the gym. Space within the dairy barn has been identified to shelter and care for pets. In most cases, the owners will tend their animals. There may be times when the families will need our assistance if they are unable or busy making other arrangements to care for their pets. We may need volunteers to help with registration, walking the dogs, and helping to maintain food, water, and sanitation for the animals.
4. Break-down the shelters and return the facilities to normal use.

Cinco de Mayo: A large number of volunteers will be needed to assist with the Cinco de Mayo celebration Friday, April 15. Volunteers are needed to greet guests and direct them to appropriate venues, serve as hosts in the Market Place, cook hors d’oeuvres, usher guests for the dance performance, and assist with security at the family dance. All volunteers get a FREE T-SHIRT! To sign up, please stop by Laurie Wilson’s Office, in the Academic Assistance Center, Owen 270B.

Month of the Young Child Family Festival: Tuesday, April 5, 4:30 - 6:15 p.m.— Five volunteers are needed to help direct traffic on campus. Another 4-5 people are needed to help serve food in the Eagle’s Nest from 4:45 p.m. to 7:30 p.m. Please contact Francine Olson at <olson68@q.com> for more information and to volunteer.

Habitat for Humanity: Learn some handy household skills while helping out a wonderful family! House #13 is currently under construction. They will be working most Saturdays and could use help. Meet at the house at 9 a.m. to 3 p.m. Lunch is provided if we know you’re coming. Specific dates will be advertised a few days before the build. RSVP to Lisa Loegering.

Project Clean Water for Everyone

SIFE is working on a project that centers on providing water purification tablets and aid packages to children and families around the world in need for clean water to eradicate diseases such as Cholera and Tuberculosis. Their main goals are to establish effective communication with third parties in the countries in which aid is being sent such as Ghana, Haiti, and Sudan and to purchase aid packages to be sent. Currently the tasks that need to be accomplished have been divided into teams: communication, fund raising and treasurer, packaging, and awareness. The goals that have already been accomplished are establishing third parties in Ghana through University students and churches and they have begun to find water purifiers that are reasonably priced. In their timeline we are in the awareness and fund raising throughout campus and the Crookston area phase as well as purchasing the resources needed to send the aid packages. The next step will occur between March 15 – April 15 and this step is to send out the aid packages. If you are interested in being a part of this project you can join one of the designated teams, make donations of your time, money, or ideas, or get your club to work with SIFE to make this a campus wide project. Any questions or comments should be directed to Abbey Wemimo Samson at abbey010@umn.edu.

NSIC Commissioner Butch Raymond is proud to announce the second annual NSIC Myles Brand All-Academic with Distinction Award winners. The honor, named for the late NCAA President Dr. Myles Brand, is bestowed to senior NSIC student-athletes who have a cumulative grade point average of 3.75 or higher, are exhausting their eligibility and are on track to graduate. Each student-athlete will be recognized by the NSIC with a certificate of achievement and a wrist watch. Furthermore, each institution is highly encouraged to have these student-athletes be publicly recognized at a home athletic event. A total of 82 student-athletes from the NSIC’s 14 institutions will receive the award in its second year.

“NSIC is excited to have this opportunity to honor an elite group of our student-athletes for their accomplishments. We feel very privileged to name the award after Dr. Brand in recognition of his strong support and the continued emphasis he placed on academics in the ‘Life in Balance’ theme of Division II,” said Raymond.

Earning the 2011 NSIC Myles Brand All-Academic with Distinction Award from the University of Minnesota, Crookston are:
Katie Bowar, Softball Moorhead, Minn. Business Mgmt & Mrktng
Alyssa Krikke, Volleyball Grand Rapids, Mich. Health Sci-ence Pre-Professional

Dr. Myles N. Brand, visionary leader, educator and reformer, served as the President of the National Collegiate Athletic Association (NCAA) from 2003-2009. He passed away in September 2009 at the age of 67 after a battle with pancreatic cancer. Brand presided over passage of the most comprehensive academic reform package for intercollegiate athletics in recent history – a package that refocused the attention of student-athletes, coaches and administrators on the education of student-athletes. Brand also changed the national dialog on college sports to emphasize the educational value of athletics participation and the integration of intercollegiate athletics with the academic mission of higher education. His impact on Division II ran deep by implementing an identity campaign and a strategic-positioning platform tied to specific divisional attributes. He challenged Division II to continue its game-environment and community-engagement focus, and improve academic success rates.

Golden Eagle Equestrian Teams Win Regional Championships

The University of Minnesota, Crookston Equestrian teams had a stellar weekend March 4-6 capturing the Zone 9, Region 3 Championships for both the Hunt Seat and Western teams at the University Teaching and Outreach Center on the U of M, Crookston campus. Both teams will represent Intercollegiate Horse Show Association (IHSA) Zone 7, Region 3 at the Zones and Semi-Finals Competitions. The Western Semi-Finals will be held in Findlay, Ohio on March 26-27. The Zone Hunt Seat Championships will be held at Liberty Farms in Madison, Wis. on April 10. The top two hunt seat teams and top three western teams from Zone 7 will advance to the National Horse Show held on May 5-8 in Lexington, Ken.

Individually, several Golden Eagle riders qualified to show as individual riders in their divisions at the next level of competition. The top two riders at the Hunt Seat Zone show will advance to Nationals and the top four riders at the Western Semi-Finals will advance to nationals as individuals. Starting the Regional Championship with a solid Blue Ribbon ride was Laura Critchett (Sr, Shoreview, Minn.) winning the Open Over Fences class. Continuing the winning way was Sara Wells (Sr, Calgary, Alb.) taking the championship in the Intermediate Over Fences class. Critchett went into the Open Equitation on the flat with a ride that earned her the Reserve Champion ribbon. Wells was close with a third place finish in the Intermediate Flat division and Lauren Snively (Jr, Herndon, Vir.) picked up fifth place in the same division. Angela Peterson (So, Detroit Lakes, Minn.) finished fourth with Megan Claybundy (Sr, International Falls, Minn.) taking fifth in the Novice Flat class. In a really deep Walk-Trot-Canter class, Tiffany Rask-Hollman (So, Minneapolis, Minn.) finished with a fourth place ribbon. Overall, the team had a strong show and the Golden Eagles are looking forward to traveling to Zones with Critchett and Wells as their individual riders.

In the Western Regional Championship Horse Show on Sunday afternoon, Kayla Klein (Sr, Hazen, N.D.) was the Regional Champion in Reining and Open Horsemanship. Breanna Peterson (Fr, Rochester, Minn.) had a great ride and ended up third in the Open just one placing out of qualifying for semi-finals. Kaitlyn Tollefsrud (Jr, Hawley, Minn.) turned in a Reserve Championship finish in the Advanced Horsemanship division. The Novice Horsemanship saw some tough competition as Kayla Krueger (So, Walker, Minn.) ended up in fourth place and Amy Van Treeck (So, Sheboygan Falls, Wis.) ended up with a seventh place finish in a deep class of ten. U of M, Crookston’s three riders in the Intermediate Horsemanship class had the toughest go of the day as they had to qualify out of their preliminary classes to make the finals. Out of the 20 riders in this division, the Golden Eagles had three riders land just out of the top two places with Karen Carpenedo (So, Bessemer, Mich.) finishing third, Anna Steen (Jr, Hanover, Minn.) finishing fourth and Addie O’ Neil (So, Redwood Falls, Minn.) finishing in fifth. The last class of the day was the Beginner Horsemanship with Sabra Amundson (Colton, S.D.) and Lisa Schabo (So, Appleton, Wis.) both finishing just out of the ribbons in a deep class.

Both Coach Brooke Leininger and Coach Nicky Overgaard were very proud how everyone finished their season. “A few mistakes is all it takes to move you from the top two places to down on the judge’s card,” says Coach Overgaard. “We are looking forward to taking our teams to the next level of competition and with more experience in post-season competition, we are looking forward to improving ourselves from last year.”
