**GET THE FACTS ABOUT HPV - Gardasil Vaccines Available March 31**

Human papillomavirus or HPV is a virus you may not know too much about—but you should. HPV will affect an estimated 75% to 80% of males and females in their lifetime. For most, HPV clears on its own. But, for others who don’t clear certain types, HPV could cause significant consequences: cervical, vaginal, and vulvar cancers in females. Other types could cause genital warts in both males and females. And there’s no way to predict who will or won’t clear the virus.

**WHO SHOULD GET VACCINATED WITH GARDASIL?**

GARDASIL is for females and males ages 9 to 26. When it comes to human papillomavirus (HPV) vaccination, females are only half the equation. Males can get vaccinated, too. Like other vaccines, GARDASIL works to help prevent illness. GARDASIL works when given before there is any contact with the relevant HPV types. Girls and boys as young as 9 can get vaccinated.

If you’re a young adult who is already sexually active, you may still benefit from GARDASIL. That’s because even if you have been exposed to HPV, you may not have been exposed to the types of the virus covered by this HPV vaccine. GARDASIL could still help protect you against the relevant HPV types to which you haven’t been exposed.

If you are considering GARDASIL check out the following web site for more information [www.gardasil.com](http://www.gardasil.com)

PCPH will be on campus Thursday, March 31, 12:00 – 1:00 p.m. in the Student Health Office, SSC 145F, providing Gardasil vaccines for $5.00. No appointment necessary.
Volunteer Opportunities

Camp Odayin - The only camp in the Midwest for children with heart disease. They provide a place for kids to be kids regardless of ability level, scars, or scope of disease. Campers enjoy a week of summer camp full of water sports, horseback riding, arts & crafts, bonfires, and much more. They strive to create an exceptional camping experience for these exceptional kids. In doing so, they need exceptional volunteers as Cabin Counselors and Nurses to support and guide these young campers. Their volunteer staff application and volunteer details maybe be found at http://www.campodayin.org/volunteer_information.htm. Additional information can be found on their website at www.campodayin.org or by calling 651.351.9185.

Flood Assistance: In the event that citizens are evacuated and need shelter for themselves and their pets, UMC will be assisting in several ways. Obviously, we don’t have dates or times, but please think about these opportunities and let me know if I can put you on an “on-call” list for the following jobs:
1. Set up Lysaker Gym with tarp, cots, tables, chairs and supplies
2. Facilitate activities for children, especially if families will be here for more than a day or so.
3. Pet Evacuation Shelter is being co-established on campus for families staying in the gym. Space within the dairy barn has been identified to shelter and care for pets. In most cases, the owners will tend their animals. There may be times when the families will need our assistance if they are unable or busy making other arrangements to care for their pets. We may need volunteers to help with registration, walking the dogs, and helping to maintain food, water, and sanitation for the animals.
4. Break-down the shelters and return the facilities to normal use.

Cinco de Mayo: A large number of volunteers will be needed to assist with the Cinco de Mayo celebration Friday, April 15. Volunteers are needed to greet guests and direct them to appropriate venues, serve as hosts in the Market Place, cook hors d’oeuvres, usher guests for the dance performance, and assist with security at the family celebration. Volunteers are needed to help direct traffic on campus. Another 4-5 people are needed to help serve food in the Eagle’s Nest from 4:45 p.m. to 7:30 p.m. Please contact Francine Olson atolson68@q.com for more information and to volunteer.

New Voluntary Student Dental Plan

The University of Minnesota’s Office of Student Health Benefits is pleased to announce the implementation of a new optional student dental plan called the University-sponsored Voluntary Student Dental Plan. University of Minnesota students have been requesting for several years that dental coverage be made available. The Voluntary Student Dental Plan, provided by MetLife, will give plan members access to thousands of providers in the national MetLife network. The Office of Student Health Benefits will be communicating with students on all five University of Minnesota campuses starting April 1, 2011 about this new plan option. Details about the plan, eligibility, and how to enroll will be available on the Office of Student Health Benefits website www.shb.umn.edu on April 1. Online enrollment will be available through the website April 1-September 16, 2011.

Coverage period for the 2011-2012 plan year:
September 1, 2011-August 31, 2012—Enrollment on the plan is only available to students fall semester, unless they become newly eligible spring semester.

Cost for the 2011-2012 plan year:
$339.00/year—Plan members will see a charge of $169.50 (cost for half year) on their University bill once at the beginning of fall semester and once at the beginning of spring semester. Financial aid can be applied to cover the cost of the plan.

Highlights of the plan:
Preventive care covered 100% at participating providers
Benefit of up to $1,000 per plan year
International Dental Travel Assistance
All eligible students who wish to take advantage of the 2011-2012 Voluntary Student Dental Plan must complete the enrollment process online at www.shb.umn.edu during the open enrollment period April 1-September 16, 2011.

Thank you. Please feel free to contact our office with any questions.

UMC Peer Connections Leaders Wanted

If you are a highly motivated student looking for a job for the 2011-2012 school year keep reading!
UMC Peer Connections had a successful first year of new student mentorship and we are looking to expand and improve our program for its second year. This program connects UMC upperclassmen with incoming, new students.
We are in need of 9 new Peer Connections Leaders (mentors) for the 2011-2012 school year.
As a UMC Peer Connections Leader you will have the opportunity to assist new students with the ins and outs of campus life. You would serve as a role model and “go to” person leading small group meetings for your mentees. In addition to small group meetings there are events and workshops hosted for the entire UMC Peer Connections group. Our goal is to double the number of new students in this program for the 2011-2012 school year, so we need flexible, fun, and knowledgeable individuals!
Applications can be picked up at the Information Desk in the Sargeant Student Center or Alysa Tulibaski’s Office in UMC Admissions.
Turn in a completed application and two reference letters no later than 4:00 p.m. on Wednesday, April 6th to Alysa Tulibaski in the UMC Admissions Office (170M Owen Hall).
If you have any questions please contact: Kristine Neu, UMC Peer Connections Coordinator: neuxx019@umn.edu or Alysa Tulibaski, UMC Student Experience & Parent Coordinator: hauge450@umn.edu

The University of Minnesota, Crookston Women’s Tennis team secured its first Northern Sun Intercollegiate Conference (NSIC) victory of the 2011 season defeating the University of Mary (U-Mary) 5-4 today at Center Court Fitness Center in Grand Forks, N.D. The win made it three straight for the Golden Eagles.

Amanda Pihlaja (Fr, Duluth, Minn.) picked up her third straight singles win defeating Ashley Tuschling 6-2, 6-1. Alyssa Klingenberg (So, Park Rapids, Minn.) also picked up her third straight singles victory defeating Caroline Crary 7-6, 6-4. Holly Roepke (So, Osage, Minn.) notched her third straight victory defeating Laura Doll 6-0, 6-0.

On the doubles side, Klingenberg and Roepke picked up their third straight victory defeating Tuschling and Rachael Brown 8-3. Pihlaja and Katelyn Johnson (Fr, Monticello, Minn.) also picked up their third straight win defeating Doll and Rachel Kelly 8-3.

Former University of Minnesota, Crookston Baseball player Paul Krebs has signed as a free agent with the Kansas City Royals. Krebs has signed as a catcher and will report to extended spring training in Peoria, Ariz. before being placed with a farm team.

“It has been my dream since I was a little boy playing whiffle ball in the backyard with my brother,” says Krebs. “I kept the faith and perseverance. If you keep working hard, the door will open. I have made countless sacrifices along the way. It’s not what you have. It’s what you’re willing to give up to make your dreams come true.”

Krebs transferred to the University of Minnesota, Crookston from Itasca Community College in 2008. He played two seasons for the Golden Eagles at catcher, third base, pitcher and outfield. He also had short stints with the Brainerd Blue Thunder of the Northwoods League and the Fargo-Moorhead Red Hawks of the American Association.

“I could not be prouder of Paul,” says U of M, Crookston Head Baseball Coach Chris Vito. “He has never lost sight of his dream or what it would take to reach it. This is a testament to his work ethic, faith and outstanding attitude. The University of Minnesota, Crookston Baseball program and athletic department is thrilled for him.”
