Campus telephone System Outside Line Access Prefix Change From 9 to 8

On the morning of Saturday, April 16, between 8:00 a.m. & noon, the campus telephone system will change the prefix for accessing an outside line from 9 to 8.

- Incoming calls will not be affected.
- Outgoing calls will be affected during the conversion process.
- When the conversion is completed, campus users must dial 8 for an outside line rather than dialing 9, as we do today.
- After the conversion, if you are forwarding your phone to an off campus number, you will have to reenter that number with an 8 prefix instead of 9.
- Please report any problems to Dennis Magsam at 8499.

Career Services Webinar

‘Know Behavior Styles to ACE Your Interview’

Wednesday
April 13, 2011
4:00 - 5:00 p.m.

Over the years there has been an enormous amount of discussion on how differently men and women communicate. The book, by John Gray, Men are from Mars and Woman are from Venus was a huge hit as the author brought to light what makes us communicate differently.

Presenters are Scott Zimmerman and Carl Rakich By participating in this Webinar, you will learn to quickly identify four primary behavior styles that affect how people communicate and listen. You will learn how to communicate with:

- Socializers Relaters
- Thinkers Directors

Your interview is an incredible step in your job search process. All the education, studying, extra curricular activity and work you have done is summarized in the interview. If you can’t get on the same level as the person interviewing you, your work and effort could be marginalized. By mastering this, you will be able to communicate to them and build an instant relationship and move to the next step. Don’t miss this Webinar!

Open Slots at the Writing Center

As this semester begins to finish up, don't forget to schedule an appointment in the Writing Center for your final papers and projects. Please keep in mind a few important details below.

1. You may only schedule three appointments per week. This leaves room for other students looking for a spot. Once you go to your first appointment you are welcome to schedule another.

2. Any time the schedule says OPEN, you are free to walk-in and see a tutor. Also, if a tutor is not busy, you are free to stop and ask questions until the next student comes.

3. Please do not wait to cancel until the last minute. Even if your paper isn't finished, please keep your appointment. Use that time to work together. If you can not meet, try to cancel 12 hours in advance to leave time for other students to schedule.

4. Please check the schedule daily. We have many spaces open up throughout the day.

5. The last two weeks before finals there will be additional hours in the Writing Center. Please keep an eye out for additional time.

If you need to meet with a tutor but are having difficulty finding a time that works for you please email Linnae Barton at barto148@umn.edu.
