Locks of Love

Make a difference in a child’s life...donate hair to Locks of Love!

The Golden Eagle Volleyball and Soccer teams are hosting an opportunity for you to donate your hair for Locks of Love without having to leave campus!

On October 22nd, we will have stylists on campus in the International Lounge from 11:00 am to 1:00 p.m. Appointments can be made at 15-minute increments (11:00, 11:15, 11:30, etc.) to donate your hair. The stylists will measure and cut your ponytail/braid, and then even out the rest of your hair. They will also have coupons for you to make an appointment at the salon in order to go back and have your hair finished up (cut into layers, etc.).

To make an appointment, email Janie Bauer (bauer376@umn.edu).

Guys, we haven’t forgotten about you!
If you have the required length of hair to donate, you can make an appointment to donate your hair on Friday the 22nd. Or, you can come out to the Golden Eagle Soccer game on Saturday the 23rd and members of the volleyball team will cut your donation for you. Don’t have the required length to donate?? We’ll cut your hair for a financial donation (the amount is your choice) to Locks of Love. All haircuts at the soccer field will be done with clippers and guards only.

There are important requirements that must be met in order to donate hair to this organization...here are the details:

1. The ideal donation length is 10 inches, measured from tip to tip. To measure your hair, make a ponytail at approximately how short you’re willing to go, and then measure from the ponytail holder. Donations that measure 8-9 inches may still be accepted by the organization, but 10 inches is the ideal minimum length.
2. Permed or colored hair is acceptable, but bleached hair is not (if you have highlights, then most likely your hair has been bleached...if you’re not sure you can stop by and ask one of the stylists).
3. Curly hair can be pulled straight to measure 10 inches.
4. Dreadlocks are not acceptable.
5. Layered hair can be used as long as the longest layer is at least 10 inches (hair from the shorter layers will be pulled out and sold to other wig manufacturers (proceeds from those sales are used to offset costs).
6. Hair must be in a ponytail or braid to donate. Multiple ponytails/braids may be used. If head is to be shaved, hair must be placed into ponytails and cut off before shaving.

If you have any further questions about Locks of Love, check out their website: http://www.locksoflove.org/index.html

Thanks for your help and support!
