Blood Drive
Monday, February 4
9:00 a.m. to 3:00 p.m.

Here are a few examples of how blood donations have been used in the area:

- A 16 year old that used 8 units of blood for abdominal cancer.
- An 11 month old baby that used 2 units of blood for post surgery complications.
- A 65 year old that has used 37 units of blood since January 28th.
- A 54 year old that used 15 units of red blood cells, 5 units of platelets and 39 units of plasmas, during and after a major surgery.
- And a 4 year old that used 6 units of blood during a surgery.

These patients would not be here without the heroic act of a blood donor.

Volunteer Programs
Please contact Lisa Loegering at loege005@umn.edu about these volunteer opportunities unless otherwise noted.

1. Humane Society: The Humane Society is run by volunteers. There is a huge need for volunteers to help clean cages from 9:30 – 10:30 or 11 a.m. weekdays and 10 a.m. on weekends. Additionally, dogs love to be walked! Get some exercise and share a walk with a very appreciative friend! The Polk County Humane Society is located at 720 East Robert Street. Please contact them at 281-7225 to schedule a time to volunteer.

2. North Country Food Bank--Clubs and other larger groups are encouraged to pack boxes or backpacks at NCFB. To set up an appointment, please call Russ Tate at 218-280-2926.

3. Our next week to Deliver Home Delivered Meals is February 11 - 15. Meals need to be picked up at the Employee Entrance on the west end of RiverView Hospital at 11:30 a.m. You can expect to be back at UMC by 12:15 p.m. If you aren’t all that familiar with Crookston, don’t worry! You are provided with a map and very specific directions. Grab a friend to help navigate! The Home Delivered Meals program allows the elderly more independence by allowing them to stay in their homes longer. This program can’t run without volunteers like you! The recipients are extremely grateful for this service. If you are able to help out, just let me know what day(s) work best for you and I will sign you up! Thanks very much!

4. Save the Date—The date has been set for the 5th Annual In the Spirit of Cinco de Mayo Celebration. It will be held Friday, April 12 and will require LOTS of volunteers! More information to come.

Reason for Policy: The University of Minnesota provides students with an email account upon the student’s matriculation to the institution. This account is free of charge and currently is active as long as the student remains active. Increasingly, email is becoming the primary mode of communication between students and the University. The information distributed via email varies from college updates to registration summaries.

Some students do not use their University assigned email account. Other students forward their University email account to an alternative account (i.e., Hotmail, AOL, Yahoo, etc.). When students do not use or forward their University assigned email account, vital information is often not conveyed as the email is unopened or the associated attachment is not forwarded.

It is imperative that students understand that a majority of information will be communicated to them via their University assigned account while they are students. To better serve our students, upon matriculation students are informed that their University assigned email account is the primary means of communication from the University community and that they will be held responsible for the information in the email.

Email is Official Student Communication
http://www.fpd.finop.umn.edu/groups/ppd/documents/policy/Email_Pol.cfm

This policy is very important. Please specifically note the underlined portions.

A University assigned student email account shall be the University's official means of communication with all students. Students are responsible for all information sent to them via their University assigned email account. If a student chooses to forward their University email account, he or she is responsible for all information, including attachments, sent to any other email account.

UMC Bus Service for Spring 2013

With the opening of the new residence hall at the start of spring semester, there will be no need for UMC to lease extra rooms at the local hotel and provide bus shuttle service to and from that off-campus facility. The University has discontinued its service agreement with Tri-Valley Heartland Express (T.H.E. Bus/Tri-Valley Opportunity Council, Inc.) for a dedicated bus to provide free local transportation for its students and employees.

However, University has agreed to cover the $2.00 fee per ride for its students utilizing T.H.E. Bus for local Crookston transportation during the 2013 spring semester. Students wanting a ride would need to contact T.H.E. Bus dispatcher at 218-281-0700 to schedule a pick-up. Students would be required to present their student ID card to the driver at the time of pick-up to get the free ride. This free bus service will be offered Monday through Friday from 7:00 a.m. until 8:00 p.m. Students needing rides on a regular basis can schedule advanced, routine pick-ups.

This free service will only be provided for the remainder of this academic year. If campus students are interested in future discounted or free bus transportation they should make a request through the Student Fee Committee.

New Brain Teasers

This week the Eagle’s Eye introduces new Brain teasers, which is called “Rebus Puzzles.” A REBUS is a picture representation of a name, work, or phrase. Each “rebus” puzzle box portrays a common word or phrase. Can you guess what it is? Example)

**Answer for Head HEELS:** Since the word HEAD is over the word HEELS, the answer to the puzzle would be HEAD OVER HEELS!

**Answer for Corporate:** Because the word Corporate is getting smaller, the answer to the puzzle would be Corporate Downsizing!

Can you guess? That’s great! Now wake up your brain and best guess what is it below:

**Answer of last week was “Captain Hook” and winter is Rowenna Fillmore. Winner can pick up a free movie pass from Meloni in 236 Sargeant Student Center. If you think you know the answer of this week’s Rebus, send an e-mail to meloni (melonir@umn.edu). A winner will be chosen from the correct answers. The winner will receive a free ticket to the Grand Theatre in Crookston. Email your answer to Meloni prior to noon on Thursday, January 24, 2013. The winner’s name will appear in the January 28, 2013 Eagle’s Eye.**
