Volunteer Programs

Unless otherwise stated, please contact Lisa Loegering (loeger005@umn.edu) for more information:

1. National Youth Service Day is April 27, 12:45 p.m. to 3:00 p.m. One group of volunteers will go to the Care and Share to help begin planting the community garden, and the second group will go to Castle Park, a natural play place, to help prepare it for summer. For more information, please contact Katie Schneider at schne616@umn.edu.

2. Humane Society The Humane Society is run by volunteers. There is a huge need for volunteers to help clean cages from 9:30 – 10:30 or 11 a.m. weekdays and 10 a.m. on weekends. Additionally, dogs love to be walked! Get some exercise and share a walk with a very appreciative friend! The Polk County Humane Society is located at 720 East Robert Street. If bringing a group, please contact 281-7225 to schedule a time to volunteer.

**Chancellor’s Office**

**at the University of Minnesota, Crookston**

Small Campus. Big Degree.

Here at the University of Minnesota, Crookston, we take pride in providing a world-class education in a friendly, close-knit campus setting. Our talented and supportive faculty members not only serve as teachers and facilitators, they also provide the kind of professional advising and mentorship that makes all the difference in your college experience, and our helpful and caring staff members also play an important role in student success. Personal attention and the University of Minnesota brand of excellence are hallmarks of our campus. They are the core essence of what we mean by “Small Campus. Big Degree.”

As chancellor, I encourage you to take an active role in your education and to learn as much as you can about the people and programs here. Opportunities for you to excel can be found at every turn.

Explore your future career as you build knowledge, critical thinking skills, and creativity within your major. Then, take it further through our internship program, where you’ll get real on-the-job experience. Our academic programs emphasize an applied, career-oriented approach to teaching and learning that combines theory, practice, and experimentation. You won’t spend all your time at a desk because our curriculum is designed around experiential learning. You’ll go out and do things as well as learn the theories behind the concepts. You’ll even have opportunities to conduct actual research through our undergraduate research program and to challenge yourself through our honors program.

Develop the vital technology skills employers seek using your campus-issued laptop computer and the applications integrated throughout the curriculum. You might not initially realize what a truly important edge you’ll have by working daily with technology. Employers who hire U of M, Crookston alumni constantly comment on our graduates’ comfort with and knowledge of technology.

Gain global and diverse perspectives as you learn and work with students from more than 30 countries and 40 states. It’s vitally important to develop an understanding of diversity, cultural issues, and international viewpoints. Every day you’ll expand your worldview and develop friendships with people from across the globe. You’ll also want to consider the numerous opportunities to study abroad.

Become a leader. Taking part in a club or organization, a community service or service learning project, or an athletics team provides direct leadership and teambuilding experience. With 40 student organizations and multiple teams participating in Division II athletics, you’ll find many ways to channel your interests and gain valuable experience.

Discovering your passion at the University of Minnesota, Crookston will set you on the road to your future. Please know that our focus is on helping you achieve success, whether you are learning on campus or online. Let us know when you have questions and how we can help. As a campus, we all invest in your success, and we all benefit when you reach and exceed your potential.

Whether you are a prospective student, an on-campus student, an online student, a transfer student, a traditional freshman, an older than average student, or a new faculty or staff member, we are here for you. We wish you only the best.

New Brain Teasers

This week the Eagle’s Eye introduces new Brain teasers, which is called “Rebus Puzzles.” A REBUS is a picture representation of a name, work, or phrase. Each “rebus” puzzle box portrays a common word or phrase. Can you guess what it is?

Example)

Answer for Head HEELS: Since the word HEAD is over the word HEELS, the answer to the puzzle would be HEAD OVER HEELS!

Answer for Corporate: Because the word Corporate is getting smaller, the answer to the puzzle would be Corporate Downsizing!

Can you guess? That’s great! Now wake up your brain and best guess what is it below:

**Example:**

**Answer of last week was “Middle of the Night” and there was no winner this week. If you think you know the answer of this week’s Rebus, send an e-mail to melonir@umn.edu.** A winner will be chosen from the correct answers. The winner will receive a free ticket to the Grand Theatre in Crookston. Email your answer to Meloni prior to noon on Thursday, April 25, 2013. The winner’s name will appear in the April 29, 2013 Eagle’s Eye.
