Winter coats, boots, mittens, and snow pants in GOOD, CLEAN condition are needed now. Drop offs should be identified as Coats for Kids and brought to the front door at Care and Share, 220 East 3rd Street, now. Distribution of coats will be in early October.

For more information, please contact Carol at 281-2644. If anyone is going home this weekend and wants to help ‘clean some closets, you can drop off items at Lisa Loegering’s office, 240 Sargeant Student Center, and I’ll get them to the Care and Share.

Can Do Canines: Partners for Empowerment and Independence

Before Terri Krake’s life was abruptly changed, she was a new Deputy Sheriff for the New Orleans region. Like most young professionals she felt eager to prove who she was and what she could do. Terri is doing just that again every day as an ambassador for Can Do Canines, but in a different way than she expected on those New Orleans streets.

Join us for a lunchtime presentation (12:15) on October 2, 2012, in Bede Ballroom as we recognize Disability Employment Awareness Month and learn about an organization that has literally ‘gone to the dogs’ to give their human companions real opportunities for independence.

RSVP to Laurie Wilson (lwilson2@umn.edu) in advance if you would like to also join for the complementary lunch which begins at noon. Interested persons may choose to just attend the 12:15 program in the same location.

Ms. Krake and Brody will be available from 1:00-2:00 following the presentation for individual or informal conversation.

Constitution Day

Monday, September 17

In observance of this important day, the UMC campus will have a table set-up across from the UMC Bookstore in the Sargeant Student Center. Students from UMC’s chapter of the National Society for Leadership and Success (NSLS) will staff the table from noon until 1:45 p.m. to hand-out a booklet called “The U.S. Constitution: And Fascinating Facts About It” and other voter registration material.

Please stop by and get your free copy of this booklet to learn more about the U.S. Constitution and additional information about voting in the upcoming national election. There will be Guides to Voting, Guides to Voting Absentee, Absentee Voting Applications, and Voter Registration Forms. Forms are also available online in a fillable .pdf format at http://www.sos.state.mn.us/index.aspx?page=211 in addition to an Election Official Directory.

Also, the table will have a City of Crookston Ward Map and City of Crookston Precinct Finder. More November Election information will be posted closer to Election Day.

September is Addiction Recovery Month
U of M, Crookston Moves to 2nd in U.S. News & World Report Rankings in Category Midwest Top Public Regional Colleges; Campus ranks in top 4 for 15th Consecutive Year

By Elizabeth Tollefson

The University of Minnesota, Crookston is pleased to announce a move up to second in this year's U.S. News Best Colleges rankings in the category Midwest Top Public Regional Colleges. The rankings for 2013 mark the 15th consecutive year the Crookston campus has appeared in the top four and signals a move up from last year's placement at number three. The exclusive rankings, available at usnews.com on Wed., Sept. 12, will be published in the September issue of U.S. News & World Report, available on newsstands on Tuesday, September 18.

Within the specific category, Top Public Regional Colleges, U.S. News compared 371 colleges by region. The University of Minnesota, Crookston's category, Midwest Top Public Regional Colleges, is comprised of both public and private institutions that focus on undergraduate education and offer a range of degree programs but grant less than half of their degrees in the liberal arts.

Campus officials are pleased with the news and credit the improvement to a campus wide focus on excellence at every level. "The U.S. News rankings call out our adherence to high quality academic programs and student services by our dedicated faculty and staff," says Fred Wood, chancellor of the U of M, Crookston. "We offer the best academic and student experience in a small, closely-knit atmosphere where students earn a University of Minnesota degree."

"In a year when we are celebrating the 150th anniversary of the Morrill Act, which established land grant universities, we are proud to continue our commitment to students and our legacy as a land grant institution," Wood continues. "We strive now, as we have since our earliest years, to provide access to higher education, to encourage discovery, and to serve the public good."

Over the past two decades, the U.S. News college rankings, which group schools based on categories created by the Carnegie Foundation for the Advancement of Teaching, have grown to be the most comprehensive tool for students and parents considering higher education opportunities. Among the many factors weighed in determining the rankings of regional colleges, the key measures of quality are: peer assessment, graduation and retention rates, faculty resources, student selectivity, financial resources, and alumni giving. For details, visit www.usnews.com.
