What’s on Wednesday? Strange Like Me

Strange Like Me begins with a monologue that lays bare the ugliness of hate, setting the stage for a lively discussion of diversity. In two scenes, we follow six students as they attempt to navigate the sometimes difficult terrain of multicultural campus relationships. During talk-backs, students confront the characters and voice their own opinions on issues of racism, sexism, and homophobia. This discussion is capped off by a short theatrical scene that reveals the lasting scars prejudice leaves on its victims.

Do we make assumptions about others based on appearance, race, gender, religion, or sexual orientation? How do these assumptions affect our ability to really get to know another individual? More importantly, how can we overcome our preconceptions and begin to bridge the gaps that continue to keep people apart?
Please contact Lisa Loegering at loege005@umn.edu about these volunteer opportunities unless otherwise noted.

The Eagle’s Eye will write a series of articles introducing clubs on campus. This section is meant to provide students with not only the understanding of clubs but information on a variety of club activities and programs, so that students can make the best choice when looking for a club to match their interests. Our first featured club is the “Multicultural International Club (MIC).

Multicultural International Club

On September 25, we met club members in Hill 4 who looked busy preparing a birthday party for other members whose birthdays were in August and September. At 4 p.m., members came individually or in groups of two or three to celebrate the birthdays together. Everyone was welcomed to the party and enjoyed the time of eating foods and singing to those who were celebrating their birthdays.

To date, the club has 35 members. MIC is a group of students who are willing to share and learn the different cultures of 15 countries. They are devoted to promoting cultural diversity and awareness on campus and the community. MIC is open to everyone and provides students with many activities, which involve community service and social activities.

- Community service events include: International dinner, International game night, teaching culture in schools, Harvest Festival, International week, and Lunar New Year Celebration
- Social activities include: Camping, bowling, ice fishing, cross country skiing, sledding, picnic, a trip to Itasca State Park, and potlucks.

- Upcoming events and programs: Harvest Festival, Community service, International week, International dinner, and Cultural programs in schools.

Meetings are held every Tuesday at 4 p.m., in Hill 4, club members learn other languages such as Chinese, Korean, and Nepali and take a quiz once a month with prizes to winners.

“If you want to enjoy real fun, Come to MIC! At MIC, you can have great fun with amazing people!” - Dabitna Chung (MIC secretary/South Korea)
