Please contact Lisa Loegering at loege005@umn.edu about these volunteer opportunities unless otherwise noted.

1. Coats for Kids. The Care and Share is currently seeking to address the very obvious need for winter wear for kids in this area. Winter coats, boots, mittens, and snow pants in GOOD, CLEAN condition are needed now. Drop offs should be identified as Coats for Kids and brought to the front door at Care and Share, 220 East 3rd Street, now. Distribution of coats will be in early October. For more information, please contact Carol at 281-2644. If anyone is going home this weekend and wants to help “clean some closets, you can drop off items at Lisa Loegering’s office, 240 Sargeant Student Center, and I’ll get them to the Care and Share.

2. Yellow Ribbons--we have been asked by the Beyond the Yellow Ribbon Committee, a support group for families of soldiers, to help them make 2000 yellow ribbon pins again this year to be given to school groups on Veterans’ Day. I will have the supplies later in September. Please contact me if you are interested in making the pins.

3. Sun, Country, and You, an animal-assisted activities and therapy program that reaches out to people who have developmental, physical or health disabilities is looking for students to assist with chores. The farm includes a large variety of animals, as well as therapy gardens. This is a fabulous opportunity! Please call Eliesha Owens at 218-521-0056 for more information or to volunteer.

4. Do you love your career? Are you having a fantastic experience at UMC? Would you like to share your experiences and wisdom with high school students? Faculty, staff, and students, please consider volunteering during your lunch hour one or more Thursdays at Crookston High School through the Achieve More Project! For more information, please contact Janessa DeBoer at 281-8673 or deboe053@umn.edu.

5. STD testing and Family Planning Services
   Polk County Public Health will be on campus to offer STD testing and Family Planning Services at the Student Health Office, 145F, SSC.

Thursday, Oct. 11 from 1:00 to 2:30 p.m.
Contact Stacey Grunewald, 8512 for information regarding this.
Look inside - Lions

The Eagle’s Eye will write a series of articles introducing clubs on campus. This section is meant to provide students with not only the understanding of clubs but information on a variety of club activities and programs, so that students can make the best choice when looking for a club to match their interests. Our second featured club is the “Lions Club.”

UMC Lions

On October 1, we met club members at Kiehle 105 who were talking about upcoming programs. The Lions club on campus, which currently consists of 15 responsible members, plays an important role as a leader, devoting passion and effort to local community development. Everyone who is excited to volunteer a number of community services and promote continuous ties between UMC and Crookston, is always welcomed to the regular meeting. The next meeting will be at 5:15 p.m. on October 15th.

“Lions Club is a unique club compared to many on campus. We are an international club that an individual can participate in for a lifetime. Lions Club bases most of their community service off campus to get involved in the Crookston Community. We volunteer and have a fun time while doing so. We impact not only the campus, but the community too!”  - Katie Hagen (Lions President)

International Lions

Melvin Jones, who was a 38-year-old Chicago business leader, started the Lions club in 1917. But in fact the name “Lions,” which stands for “Liberty, Intelligence, Our Nation’s Safety,” was decided a few years later since he started. As perceived from the motto “We Serve,” it has aimed to serve communities, meet humanitarian needs, and encourage peace. Under several codes of ethics and purposes such as to unite clubs in friendship, good fellowship and mutual understanding, the Lions has 46,000 clubs and 1.35 million members over the world.

“The things I expect out of the Lion’s Club are doing volunteer work, creating connections with the community, and most importantly, learning what it means to have responsibility.”  - Chia Moua (Lions member)

The Lions club on campus presents a number of activities and programs.

Upcoming programs: Computers at the Villa, Food Bank, Adopt-a-Highway, Cleaning Woodland Park, and Book Drive.

For more information, students are welcomed to contact Stacy Grunewald (Adviser, sgrunewa@umn.edu), Katie Hagen (President, leex5067@umn.edu), or Amanda Thompson (Vice-President, thom3974@umn.edu).

**“Hate Speech is Lame”**

Josh Caplan (right) will be at the University of Minnesota, Crookston for a special presentation entitled “Hate Speech is Lame”,

**Bede Ballroom, Sargeant Student Center, on Thursday, October 18, 2012, at 7 p.m.**

Caplan is a graduate student at Georgetown University, Washington, D.C., working on a master of arts degree in public policy. His presentation discusses how we use words and language that might be hurtful and discriminating. Sometimes hurtful language might be intentional, while other times, we may not even realize it or think about it.

The program is free and public is invited to attend.

Golden Eagle Baseball Program to Hold Fifth Annual Fundraiser Dinner
Chris Vito - Assistant Sports Information Director

(Crookston, Minn.)- The University of Minnesota, Crookston Baseball program will be hosting its fifth annual fundraiser dinner at the Crookston Eagles Club on Thursday, November 8. Cost of the dinner is $35 for either prime rib or walleye. All proceeds will benefit the Golden Eagle Baseball program.

A social will be held at 6 p.m. with dinner at 6:30 p.m. Shortly thereafter, a program will be held with special guest speaker Tod Brown. Brown is entering his sixth season as the head baseball coach at North Dakota State University.

A native Tucson, Ariz., Brown was a left-handed pitcher for the University of Arizona under legendary head coach Jerry Kindall. He spent eight seasons as an assistant coach at Bowling Green State University prior to being hired by the Bison in July of 2007.

Coach Brown has made an impressive mark on the NDSU program which included a school-record 40 wins last season. Along the way, the Bison defeated Brown’s alma mater and eventual 2012 NCAA College World Series Champion Arizona, the University of Minnesota (twice) and perennial Summit League power Oral Roberts University (twice) including handing the Golden Eagles their first ever loss in the Summit League playoffs.

“I am excited that Tod Brown is going to speak at our fifth annual fundraiser dinner,” says UMC Head Baseball Coach Chris Vito. “Tod has done an incredible job of building NDSU Baseball and putting them on the map. He has transitioned them from a fledgling Division I program to one that is to be reckoned with.”

There will also be a 50/50 drawing and a small silent auction held at the dinner.

Brain Teasers

**Facts About HPV**

Human papillomavirus or HPV is a virus you may not know too much about—but you should. HPV will affect an estimated 75% to 80% of males and females in their lifetime. For most, HPV clears on its own. But, for others who don’t clear certain types, HPV could cause significant consequences: cervical, vaginal, and vulvar cancers in females. Other types could cause genital warts in both males and females. And there’s no way to predict who will or won’t clear the virus.

GARDASIL is for females and males ages 9 to 26. When it comes to human papillomavirus (HPV) vaccination, females are only half the equation. Males can get vaccinated, too. Like other vaccines, GARDASIL works to help prevent illness. GARDASIL works when given before there is any contact with the relevant HPV types.

Girls and boys as young as 9 can get vaccinated. If you’re a young adult who is already sexually active, you may still benefit from GARDASIL. That’s because even if you have been exposed to HPV, you may not have been exposed to the types of the virus covered by this HPV vaccine. GARDASIL could still help protect you against the relevant HPV types to which you haven’t been exposed.

If you are considering GARDASIL check out the following web site for more information www.gardasil.com

No appointment necessary.
