November is...  
**Native American Heritage Month**  
What started at the turn of the century as an effort to gain a day of recognition for the significant contributions the first Americans made to the establishment and growth of the U.S., has resulted in a whole month being designated for that purpose. (Continued on pg 6)

**Music on Monday**  
**“Preston Pugmire”**  
**Monday, November 5**

Beats, guitars, bass, vocals. How can all these sounds be generated by just one guy? For the last 4 years, Preston Pugmire has been entertaining audiences all over the US with his looping performance. Electronic floor pedals allow Preston to record anything he plays live, and then layer multiple sounds on top of it, creating an entire song from scratch. He does this right in front of the crowd while keeping them completely engaged and involved.

Volunteer Programs

Please contact Lisa Loegering at loege005@umn.edu about these volunteer opportunities unless otherwise noted.

1. Coats for Kids. The Care and Share is currently seeking to address the very obvious need for winter wear for kids in this area. Winter coats, boots, mittens, and snow pants in GOOD, CLEAN condition are needed now. Drop offs should be identified as Coats for Kids and brought to the front door at Care and Share, 220 East 3rd Street, now. Distribution of coats will be in early October. For more information, please contact Carol at 281-2644. If anyone is going home this weekend and wants to help “clean some closets, you can drop off items at Lisa Loegering’s office, 240 Sargeant Student Center, and I’ll get them to the Care and Share.

2. Yellow Ribbons--we have been asked by the Beyond the Yellow Ribbon Committee, a support group for families of soldiers, to help them make 2000 yellow ribbon pins again this year to be given to school groups on Veterans’ Day. I will have the supplies. Please contact me if you are interested in making the pins.

3. Sun, Country, and You, an animal-assisted activities and therapy program that reaches out to people who have developmental, physical or health disabilities is looking for students to assist with chores. The farm includes a large variety of animals, as well as therapy gardens. This is a fabulous opportunity! Please call Eliesha Owens at 218-521-0056 for more information or to volunteer.

4. Do you love your career? Are you having a fantastic experience at UMC? Would you like to share your experiences and wisdom with high school students? Faculty, staff, and students, please consider volunteering during your lunch hour one or more Thursdays at Crookston High School through the Achieve More Project! For more information, please contact Janessa DeBoer at 281-8673 or deboe053@umn.edu.

Thursday, Nov. 15 is the 37th annual Great American Smokeout.
In recognition of this important event, you will notice a few interesting facts related to tobacco throughout the month of November. There will also be an information booth on Nov. 15, 11:00 a.m. to 1:00 p.m., SSC, to help you quit!

Did you know…..?
1. Urea, a chemical compound that is a major component in urine, is used to add “flavor” to cigarettes.
2. Nicotine reaches the brain within 10 seconds after smoke is inhaled. It has been found in every part of the body and in breast milk. According to the latest Centre of Disease control list, Nicotine is the world’s most addictive substance.
3. Ambergris (whale vomit) has been added to cigarettes for flavor.

“The only safe cigarette is your last one…” Duane Alan Hahn

About Native American Heritage Month (continued from pg 1)

The first American Indian Day in a state was declared on the second Saturday in May 1916 by the governor of New York. Several states celebrate the fourth Friday in September. In Illinois, for example, legislators enacted such a day in 1919. Presently, several states have designated Columbus Day as Native American Day, but it continues to be a day we observe without any recognition as a national legal holiday.

In 1990 President George H. W. Bush approved a joint resolution designating November 1990 “National American Indian Heritage Month.” Similar proclamations, under variants on the name (including “Native American Heritage Month” and “National American Indian and Alaska Native Heritage Month”) have been issued each year since 1994.

Two Seniors at U of M, Crookston Recognized with Prestigious SEED Award from the University of Minnesota

By Elizabeth Tollefson on November 2, 2012

Two seniors at the University of Minnesota, Crookston are the recipients of the prestigious Scholarly Excellence in Equity and Diversity (SEED) award. Wemimo Samson Abbey and Dae Yeul “Danny” Lee were recipients of the Sue W. Hancock Undergraduate SEEDs of Change Award. The two will be recognized on Wednesday, November 14, 2012, at the University of Minnesota Equity and Diversity Breakfast held at the McNamara Alumni Center on the Minneapolis campus.

Wemimo Samson Abbey (left), a senior from Lagos, Nigeria, has a passion for leadership, research, family, and country. He is majoring in business management and organizational psychology and has taken on leadership roles both on campus and outside campus organizations that have led to exciting opportunities for him in the areas of research and the creation of a non-profit. Inspired after attending the 22nd Annual Diversity Recruitment Program at Harvard University, Abbey established the non-profit organization “Change Africa,” dedicated to fighting poverty with education and sustainable free enterprise endeavors. With a grade point average (GPA) of 3.7, he credits experiences at the University of Minnesota, Crookston with empowering him to devote his life to fight for the powerless, stand up for women, and never give-up on the hopeless.

Dae Yeul “Danny” Lee (right), a senior accounting major from Seoul, Korea, is dedicated to issues of equity and diversity. A 4.0 GPA student, he has been a critical part of the Crookston campus recently being named a tax preparation site, and as an IRS certified tax volunteer, he has helped many of the community’s elderly complete their tax forms. When Lee first came to campus, he saw the need for increased awareness of diversity and worked with members of the Multicultural International Club to host an international market, game night, language lessons, and a celebration of holidays around the world, among others. Lee believes that empowering people and using what he has learned in his classes will change lives and continues to work to build a better world which respects diversity and strives for equity and social justice.

E-mail is Official Student Communication

Policy Statement
A University assigned student e-mail account shall be the University’s official means of communication with all students. Students are responsible for all information sent to them via their University assigned e-mail account. If a student chooses to forward their University e-mail account, he or she is responsible for all information, including attachments, sent to any other e-mail account.

Reason for Policy
The University of Minnesota provides students with an e-mail account upon the student’s matriculation to the institution. This account is free of charge and currently is active as long as the student remains active. Increasingly, e-mail is becoming the primary mode of communication between students and the University. The information distributed via e-mail varies from college updates to registration summaries.

reFill, Baby, reFill. Reduce Waste and Save Money!
A new hydration station was installed this week in the Library. An electronic sensor provides touchless operation, so all you have to do is place your bottle and fill. The station is located near the steps leading to the second floor. Not only are the water bottle refilling stations convenient, a digital readout at the top right of the station tells you how many plastic bottles have been saved from going to the landfill. The Library’s hydration station is like the one installed earlier this year in Hill Hall across from the Center for Sustainability. Now you have two locations on campus to fill your reusable water bottles. It is convenient, saves resources, reduces waste, and saves you money!
