Now is the time to get the finances in order!

You are strongly encouraged to apply for UMC Specialty Scholarships. These awards are made possible through the generosity of many donors that support our UMC students. The Specialty Scholarship application will close February 15th. Apply online at www.umcrookston.edu/financialaid

This application will allow you to apply for over $250,000 in scholarships that the University of Minnesota Crookston awards annually.

And start thinking about getting that FAFSA done. www.fafsa.gov
Add UMC’s school code: 004069

Things to note:

- Your application will be screened for eligibility based on the scholarship criteria the donor has indicated. If you are eligible, your application will be forwarded to the selection committee.

- Scholarships that require additional information, such as a resume or personal statement often have fewer applicants as not all students take this additional step in completing and submitting these. However, most scholarships do not require these additional documents.

- The FAFSA does not need to be completed in order to submit your specialty scholarship application; however, you are encouraged to complete the FAFSA approximately 2-3 weeks after submitting your 2013 taxes.

- The Specialty Scholarship Application will close on February 15, 2014.

- These scholarships are awarded for the 2014-2015 Academic Year. If you are graduating this Spring or Summer Semester, you don’t need to apply.

Three Ball Ignites Golden Eagles to 76-69 Win Over SMSU

The University of Minnesota Crookston used strong second half shooting to win their first road game this season 76-69 over Southwest Minnesota State University. The Golden Eagles hit seven second-half three-pointers to finish with 11 treys, the fifth time this season UMC has hit 10 or more three-pointers in a game. The Golden Eagles improve to 8-12 (5-11 NSIC) with Saturday’s win at the R/A Facility in Marshall, Minn. The Mustangs drop to 4-16 (2-14 NSIC) with the loss.

The Golden Eagles had a balanced effort Saturday evening as the whole team contributed to the effort at crucial points of the game. Four players would finish with double-figure points for Minnesota Crookston. Brain Teasers

A REBUS is a picture representation of a name, work, or phrase. Each “rebus” puzzle box portrays a common word or phrase. Can you guess what it is? Example)

Answer for Head HEELS: Since the word HEAD is over the word HEELS, the answer to the puzzle would be HEAD OVER HEELS!

Answer for Corporate: Because the word Corporate is getting smaller, the answer to the puzzle would be Corporate Downsizing!

Because nobody correctly guessed the answer last week we are going to leave it out there for another week. If you think you know the answer to this Rebus, send an e-mail to meloni (melonir@umn.edu). A winner will be chosen from the correct answers. The winner will receive a free ticket to the Grand Theatre in Crookston. Email your answer to Meloni prior to noon on Thursday, February 6, 2014. The winner’s name will appear in the February 10, 2014 Eagle’s Eye.
