Blood for Our Bailey by Betty

Our daughter Bailey was 6 months old when she began showing signs of fatigue and pal color. Following a trip to the pediatrician, emergency trip to the hospital, and ambulance ride then to another hospital, we learned that she was severely anemic. She spent 3 days in the hospital, received 4 blood transfusions, and left with a diagnosis of Diamond-Blackfan Anemia. DBA is a type of bone marrow failure syndrome where the body does not make its own red blood cells. The next 9 months, she received blood transfusions of packed red blood cells every 3-4 weeks to keep her alive. She takes chronic steroids now to stimulate her bone marrow to make its own red blood cells, but requires blood transfusions if and when her steroid treatment is not working.

Bailey is a spunky, sweet, and energized 5 year old now! She would not be here without blood donors! We are forever grateful for those who donate blood!!! Thank you! Donate Blood – Bailey needs us!!

Monday, Feb. 2, 8:30 a.m. - 3:00 p.m., Bede Ballroom. SAAC will be at a registration table the week of January 26, 10:00 a.m. to 2:00 p.m. in the SSC. Or sign up online at www.bloodhero.com sponsor code umc

**Students, Apply for UMC Specialty Scholarships Now Through February 15**

UMC students are encouraged to apply for UMC’s specialty scholarships. The application deadline is February 15, and the online application will remain open through 4 p.m. on that date. There are numerous scholarships available to both new students and returning students, who must be enrolled full-time to receive these scholarships.

The online application form is linked from www.umcrookston.edu/financialaid.

More information about specific scholarships is available at www.umcrookston.edu/financialaid/aid/scholarships/specialty.

**Showcase what you love about UMC in a short video!** There are separate contests for domestic students and international students.

Each contest has three categories:

1. Show and tell us about your major and the faculty who teach.
2. Show and tell us what “Small Campus, Big Degree.” means to you.
3. Show and tell us what you like best about UMC—what are your favorite places or activities or who are your favorite people?

First place prize: $100 for each category in each contest (a gift card for the UMC Bookstore). Second and third place prizes will also be awarded. Additional grand prize for best overall video: lunch with Chancellor Wood.

Contest rules: Videos should be no more than two minutes and preferably around one minute each. Students may submit a video in any or all of the three categories.

By submitting a video entry, those involved (the student submitting the video and anyone speaking in that video) give UMC permission to use the video for promotional purposes and to post the video on official campus social media and other websites.

It is expected most videos will be shot with cell phones rather than professional equipment. Judging will be based on video impact, quality, and length. International videos can be in native language, English, or combination of both.

Videos should be uploaded to students’ University YouTube accounts.

How to upload videos for UMC video contest:
1. Go to YouTube.com - in upper right corner sign in to YouTube using your University google account
2. In upper right corner choose upload.
3. Change Public to Private, and add dbuegel@crk.umn.edu as “Share to” e-mail address like this

4. You will receive a confirmation e-mail that video was received.

Entries may be submitted now through Noon on Monday, February 2. Winners will be announced no later than Friday, February 6.

Sponsored by UMC Admissions and University Relations.

The Outreach Lecturing Fund (OLF) allows Fulbright Visiting Scholars who are currently in the United States to travel to other higher education institutions across the country. Each year some 800 faculty and professionals from around the world receive Fulbright Scholar grants for advanced research and university lecturing. The purpose of the OLF is to allow these scholars to share their specific research interests, speak on the history and culture of their home country, exchange ideas with U.S. students, faculty and community organizations, become better acquainted with U.S. higher education, and create linkages between their home and host institutions and CIES.

Dr. Tatjana Rushkovska is Associate Professor of Clinical Chemistry and Biochemistry at the Faculty of Medical Sciences, Goczo Dalevo University in Slup Republic of Macedonia. She completed her higher education, including the PhD degree, at the Faculty of Natural Sciences and Mathematics, Institute of Biology, Ss. Cyril and Methodius University in Skopje, Republic of Macedonia. She was working as a clinical chemist in the Central Clinical Laboratory at Military Hospital in Skopje for 16 years. 7 of which as a Head of the Laboratory. In 2010 Dr. Tatjana Rushkovska joined Goczo Dalevo University in Slup where she started her academic career. At the moment, as a Fulbright Scholar, Dr. Rushkovska is appointed as a Visiting Professor in the Department of Biochemistry, Molecular Biology and Biophysics at the University of Minnesota, in the laboratory of Dr. David Berlich, where she is working on her research project focused on the role of the white adipose tissue in obesity induced insulin resistance.

This lecture will be repeated on January 30 at 3:00 PM at the University of North Dakota, Grand Forks, ND 58202.

There is no charge for the workshop.

Fulbright campus representatives and interested faculty are encouraged to attend.

To reserve a seat please contact

A **REBUS** is a picture representation of a name, work, or phrase. Each “rebus” puzzle box portrays a common word or phrase. Can you guess what it is? (Example)

**HEAD OVER HEELS**: Since the word **HEAD** is over the word **HEELS**, the answer to the puzzle would be **HEAD OVER HEELS**!

**Corporate Downsizing**: Because the word Corporate is getting smaller, the answer to the puzzle would be **Corporate Downsizing**!

---

**LaRyssa Nelson** is last week’s winner. She knew last week’s puzzle was “One foot in the door.” She can pick up her free movie pass from Meloni in 236 Sargeant Student Center. If you think you know the answer to this week’s Rebus, send an e-mail to Meloni (melonir@umn.edu). A winner will be chosen from the correct answers. The winner will receive a free ticket to the Grand Theatre in Crookston. Email your answer to Meloni prior to noon on Thursday, January 29, 2015. The winner’s name will appear in the February 2, 2015 Eagle’s Eye.
