The upcoming upgrade of the University’s core technology systems will affect all students. The way you register for classes, apply for financial aid, pay bills, and more will change when the Upgrade is complete (scheduled April 20). We are all ready to help you through the change.

Prepare for a systems interruption
Many systems you use will be unavailable or view-only April 10-20. See this complete list of what is/is not available during the systems interruption. Key dates and deadlines are available at upgrade.umn.edu/student.

- If you are expecting financial aid that you have not yet received, please contact Financial Aid right away.
- If you will have charges due with the April 4 bill, make a plan for how you will pay it. The online payment system will be unavailable beginning 4:30 p.m. on April 8. We recommend paying online prior to that date.
- Make sure your Parent/Guest Access is set-up the way you want it before 4:30 p.m. on April 8.

Become familiar with the new and upgraded systems
When the Upgrade is complete, the systems you use will be new or upgraded—including a new MyU.

- Take a look at the new MyU. The new MyU is where you will register, view financial aid, pay bills and more.
- Learn how you’ll take care of common tasks by checking out these step-by-step instructions.
- If you’re a student worker who submits your time sheet on paper, be sure you know how to submit your work hours online. Workstudy students will continue to use paper time sheets through the end of this semester.

Departments are ready for the Upgrade. Staff are prepared to answer any questions you have about the systems interruption or how things will work in the new and upgraded systems. Webpages will be updated with new information. Until then, you can check out upgrade.umn.edu/student for more information and resources.
Experience the adventure of polar travel and how climate change is affecting the globe firsthand with a dynamic multi-media presentation by explorer and mountaineer Lonnie Dupre. In 2015 Dupre became the first person ever to solo climb Mount McKinley, North America’s highest peak, in January. The hour-long presentation will also touch on expeditions around Greenland and to the North Pole.

Join Lonnie as he shares life on the trail with special emphasis on setting and achieving goals, teamwork, overcoming obstacles, and how to work together to take care of our environment.

Event is Free and Open to the Public!
Before Terri Krake’s life was abruptly changed, she was a new Deputy Sheriff for the New Orleans region. Like most young professionals she felt eager to prove who she was and what she could do. Terri is doing just that again every day as an ambassador for Can Do Canines, but in a different way than she expected on those New Orleans streets.

Join us for a presentation (12:00 p.m.) on April 24, 2015, in Bede Ballroom A & B as we learn about an organization that has literally ‘gone to the dogs’ to give their human companions real opportunities for independence.

Ms. Krake and Brody will be available from 11:30 a.m. - 12:00 p.m. before the presentation for individual or informal conversation.

Friday, April 24, 2015
Bede Ballroom A & B
University of Minnesota Crookston

Visit with Terri & Brody 11:30 a.m. - 12:00 p.m.  •  Presentation: 12:00 p.m.

Light snacks will be provided.

Silent Witness Project
In 1990, an ad hoc group of women artists and writers, upset about the growing number of women in Minnesota being murdered by their partners or acquaintances, joined together with several other women’s organizations to form Arts Action Against Domestic Violence. These compassionate women felt an urgency to do something that would speak out against the escalating domestic violence in their state. They set out to create something that would commemorate the lives of the 26 women whose lives had been lost in 1990 as a result of domestic violence. After much brainstorming, the women began to design 26 free-standing, life-sized red wooden figures, each one bearing the name of a woman who once lived, worked, had neighbors, friends, family, children—whose life ended violently at the hands of a husband, ex-husband, partner, or acquaintance. UMC’s display includes victims of domestic violence (women, men, and children) from 2013 and 2014.

Display locations:
Tuesday and Wednesday - displayed between the Eagle’s Nest and the Sargeant Student Center
Thursday - displayed from Owen Hall to the Sargeant Student Center
Join us for a convening of experts, community members, and storytellers to learn about local impacts and commit to real solutions.

Brain Teasers

A **REBUS** is a picture representation of a name, work, or phrase. Each “rebus” puzzle box portrays a common word or phrase. Can you guess what it is? Example)

**Answer for Head HEELS:** Since the word **HEAD** is over the word **HEELS**, the answer to the puzzle would be **HEAD OVER HEELS**!

**Answer for Corporate:** Because the word Corporate is getting smaller, the answer to the puzzle would be **Corporate Downsizing**!

Julia Rinn is last week’s winner. She knew last week’s puzzle was “Making Ends Meet.” She can pick up her free movie pass from Meloni in 236 Sargeant Student Center. If you think you know the answer to this week’s Rebus, send an e-mail to Meloni (melonir@umn.edu). A winner will be chosen from the correct answers. The winner will receive a free ticket to the Grand Theatre in Crookston. Email your answer to Meloni prior to noon on Thursday, April 9, 2015. The winner’s name will appear in the April 13, 2015 Eagle’s Eye.
