The upcoming upgrade of the University’s core technology systems will affect all students. The way you register for classes, apply for financial aid, pay bills, and more will change when the Upgrade is complete (scheduled April 20). We are all ready to help you through the change.

Prepare for a systems interruption

Many systems you use will be unavailable or view-only April 10-20. See this complete list of what is/is not available during the systems interruption. Key dates and deadlines are available at upgrade.umn.edu/student.

- If you are expecting financial aid that you have not yet received, please contact Financial Aid right away.

Become familiar with the new and upgraded systems

When the Upgrade is complete, the systems you use will be new or upgraded—including a new MyU.

- Take a look at the new MyU. The new MyU is where you will register, view financial aid, pay bills and more.
- Learn how you’ll take care of common tasks by checking out these step-by-step instructions.
- If you’re a student worker who submits your time sheet on paper, be sure you know how to submit your work hours online. Workstudy students will continue to use paper time sheets through the end of this semester.

Departments are ready for the Upgrade. Staff are prepared to answer any questions you have about the systems interruption or how things will work in the new and upgraded systems. Webpages will be updated with new information. Until then, you can check out upgrade.umn.edu/student for more information and resources.

Can Do Canines: Partners for Empowerment and Independence

Before Terri Krake's life was abruptly changed, she was a new Deputy Sheriff for the New Orleans region. Like most young professionals she felt eager to prove who she was and what she could do. Terri is doing just that again every day as an ambassador for Can Do Canines, but in a different way than she expected on those New Orleans streets.

Join us for a presentation (12:00 p.m.) on April 24, 2015, in Bede Ballroom A & B as we learn about an organization that has literally 'gone to the dogs' to give their human companions real opportunities for independence.

Ms. Krake and Brody will be available from 11:30 a.m. - 12:00 p.m. before the presentation for individual or informal conversation.

Friday, April 24, 2015
Bede Ballroom A & B
University of Minnesota Crookston

Visit with Terri & Brody 11:30 a.m. - 12:00 p.m. • Presentation: 12:00 p.m.

Brain Teasers

A **REBUS** is a picture representation of a name, work, or phrase. Each “rebus” puzzle box portrays a common word or phrase. Can you guess what it is? Example)

**Answer for Head Heels:** Since the word HEAD is over the word HEELS, the answer to the puzzle would be **HEAD OVER HEELS**!

**Answer for Corporate:** Because the word Corporate is getting smaller, the answer to the puzzle would be **Corporate Downsizing**!

Emmett LaCoursiere is last week’s winner. He knew last week’s puzzle was “Miss Understanding Between Friends.” He can pick up his free movie pass from Meloni in 236 Sargeant Student Center. If you think you know the answer to this week’s Rebus, send an e-mail to Meloni (melonir@umn.edu). A winner will be chosen from the correct answers. The winner will receive a free ticket to the Grand Theatre in Crookston. Email your answer to Meloni prior to noon on Thursday, April 16, 2015. The winner’s name will appear in the April 20, 2015 Eagle’s Eye.
