Can Do Canines: Partners for Empowerment and Independence

Before Terri Krake’s life was abruptly changed, she was a new Deputy Sheriff for the New Orleans region. Like most young professionals she felt eager to prove who she was and what she could do. Terri is doing just that again every day as an ambassador for Can Do Canines, but in a different way than she expected on those New Orleans streets.

Join us for a presentation (12:00 p.m.) on April 24, 2015, in Bede Ballroom A & B as we learn about an organization that has literally ‘gone to the dogs’ to give their human companions real opportunities for independence.

Ms. Krake and Brody will be available from 11:30 a.m. - 12:00 p.m. before the presentation for individual or informal conversation.

Brain Teasers

A **REBUS** is a picture representation of a name, work, or phrase. Each “rebus” puzzle box portrays a common word or phrase. Can you guess what it is? Example)

Answer for Head **HEELS**: Since the word **HEAD** is over the word **HEELS**, the answer to the puzzle would be **HEAD OVER HEELS**!

Answer for Corporate: Because the word Corporate is getting smaller, the answer to the puzzle would be **Corporate Downsizing**!

Corissa Robinson is last week’s winner. She knew last week’s puzzle was “Income Tax Bracket” She can pick up his free movie pass from Meloni in 236 Sargeant Student Center. If you think you know the answer to this week’s Rebus, send an e-mail to Meloni (melonir@umn.edu). A winner will be chosen from the correct answers. The winner will receive a free ticket to the Grand Theatre in Crookston. Email your answer to Meloni prior to noon on Thursday, April 23, 2015.
