

## Campus Assembly April 1, 2010

### Curriculum Committee Report

#### Items approved at Faculty Assembly

Numerous housekeeping items were passed and approved by Faculty Assembly.

The following is a list of items that comprise major changes:

Change how items are submitted to Curriculum Committee (to be effective fall 2010) – all items submitted to Curriculum Committee will go through two steps.

Step One: all items will initially be submitted as information items with no action taken by the committee. Committee members will then take those items to their departments to check on anything that will impact their department.

Step Two: at the next Curriculum Committee meeting, action will be taken on those items that have gone through step one.
