**Honor Medals.** Official University of Minnesota honor medals denoting graduation with Distinction and High Distinction, distributed through the Registrar's Office, are the only enhancements to the traditional regalia that have been approved by the University for commencement ceremonies.

## Your Graduation Day

Commencement is scheduled for Saturday, May, 5, 2007, at 2:00 p.m., in Lysaker Gymnasium, UMC Sports Center. A reception honoring the graduates will be held before the commencement ceremony from 11:00 a.m. to 1:00 p.m. in the Northern Lights Lounge in the Student Center. All friends and family are invited to the reception and ceremony.

Commencement is a ceremonial event which includes the wearing of the traditional academic cap and gown by graduates and faculty.

The cap is to be worn with the top parallel to the floor. The tassel is worn over the right temple. No decorations should appear on the cap or gown. Honor medals denoting graduation with Distinction and High Distinction are the only adornments allowed. All students who participate in Commencement are expected to dress in a manner that is in keeping with the occasion (no tennis shoes, shorts, etc.). Anyone under the influence of alcohol or other drugs will be asked to leave and will not be allowed to participate in the ceremonies.

Candidates will be marching and standing a good part of the time; thus, low-heeled, comfortable dress shoes are recommended. Since there are no secure areas to leave personal belongings, it is recommended that jackets, purses and other personal items be left with family members.

## The Assembly Process

Degree candidates should report to the Eagle's Nest in the Sahlstrom Conference Center (in case of rain, report directly to the Sports Complex) no later than 1:15 p.m. on Saturday, May 5, where you will receive an index card from the student marshal. This index

card will include your name (write phonetic spelling on card), along with a number in the lower right hand corner. Do not lose this card. As you cross the stage during the ceremony, you will hand your name card to Thomas Baldwin, Ed.D. who will announce your name.

The number on the card represents your place in the procession.

Degree candidates will line up in front of the UMC Bookstore in the hallway toward the Eagle's Nest. After you are lined up, please await the direction of the marshals to join the procession. Since the time is limited and the procession must start moving by 1:55 p.m., it is important that you arrive early.

The procession will be formed in ranks of two in the following order: Faculty; Associate Degree Candidates; Baccalaureate Degree Candidates; Platform Guests.

## The Order of Events

The order of the general commencement ceremony is:

- Prelude
- Processional
- Presentation of Colors
- National Anthem
- Welcome from Chancellor Charles H. Casey
- Greetings from University Board of Regents
- Commencement Address
- Presentation of Candidates
- Conferring of Degrees
- Congratulatory Remarks from Alumni Association

### The Ceremony - Conferring of Degrees

The conferring of degrees takes place in two phases: associate degrees and baccalaureate degrees. A diploma is presented to each candidate participating in the ceremony. Official diplomas will be mailed approximately two months after Commencement to the address you provided on your eDegree Application.

### Instructions for Receiving Your Diploma

As you march to the stage to receive your diploma, hand your name card (which you received from the student marshal before the ceremony) to Thomas Baldwin, Ed.D. at the top of the steps. Do not bunch up on the stage. As your name is being read, proceed slowly across the stage to receive your diploma. After receiving the diploma, all candidates will return via the middle aisle to the same row they were originally seated in. Remain standing. After all degrees have been conferred, it will be announced that the graduates may move their tassel from the right to the left side of their cap.

### After the Ceremony

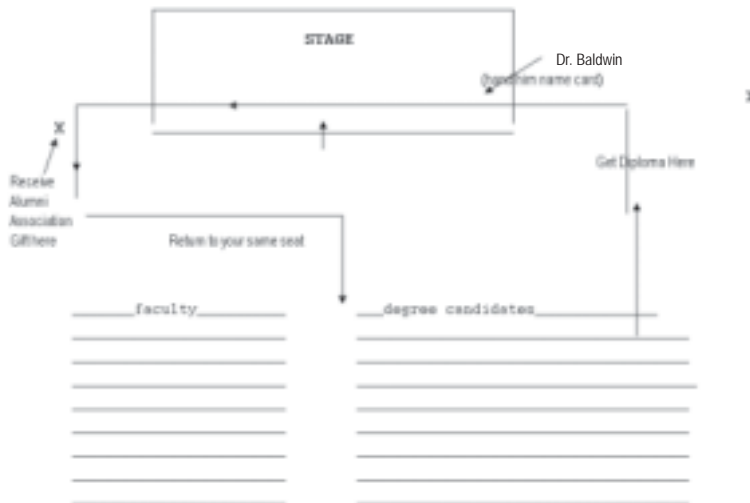

For the recessional, please follow the student marshal out the north door of the building to be congratulated by faculty/staff. Your families will join you outside. Please do not stop and gather in the gym hallway as it becomes too congested.

## Items to Remember

1. Degree candidates must remain standing until after the National Anthem.
2. Male degree candidates must remove caps for the Presentation of Colors and National Anthem. Watch the platform guests to see when to remove your cap and when to put it on again.
3. All degree candidates will receive a name card from the student marshal before the ceremony which will be handed to Thomas Baldwin, Ed.D. (on stage) when they go to receive their diploma. Do not walk across the stage until your name has been read.
4. For the recessional, follow the student marshal out the north door of the gym.
5. Accommodations will be provided for students with disabilities. Please call Disability Services at (218) 281-8587 to request accommodations no later than April 18.

## Discover More – Campus Profile

Today the University of Minnesota, Crookston (UMC) delivers more than 25 applied-science undergraduate degree programs and 50 concentrations, including online degrees, in five academic areas: agriculture; arts, humanities and social sciences; business; math, science and technology; and natural resources. A coordinate campus of the University of Minnesota, the Crookston campus offers prestigious U of M degrees in an affordable, scenic private campus setting. Students have access to system-wide resources and are encouraged to "invent yourself" through UMC's unique career-oriented learning and research and top-level technology.

As a four-year, public university with an enrollment of some 1,000 fulltime students, the Crookston campus proudly carries on a 100-year tradition of educational service to northwestern Minnesota. Since its establishment as an institution of higher learning in 1965 and its transition to offering baccalaureate degree programs in 1993, UMC equips all students and faculty with laptop computers, provides individual attention that leads to success and offers a hands-on approach that puts students ahead of the competition. The Crookston campus boasts a 93 percent job placement rate for graduates and has been ranked a *U.S. News & World Report* best public comprehensive college for nine consecutive years.

UMC is a transfer-friendly, fully accredited university focused on teaching, research and outreach. Our land-grant charge dates back to 1905 when the campus was home to the Northwest School of Agriculture, a residential high school established as part of the University of Minnesota research farm on land donated by railroad magnate James J. Hill.
