Student Center

The Fraternities and Sorority will serve rootbeer floats and hand out Inauguration Pins

3:00 - 5:00 p.m. • Brad Stevens, EERC, Speaker
Youngquist Auditorium

Bradley G. Stevens, Research Engineer in the Remediation group, received his B.S. in Civil Engineering from the University of North Dakota in 1989. Prior to his current position, he served as a Project Manager/Engineer with Summit Envirosolutions, Inc., from 1992-1998 and a Project Engineer with Delta Environmental Consultants, Inc., from 1990-1992. He served as a Research/Engineering Technician with the EERC from 1988-1990. Mr. Stevens' principal areas of interest and expertise include soil, groundwater, and industrial process water remediation; process instrumentation and control; and wind power generation. Mr. Stevens is a registered professional engineer in North Dakota and Minnesota and a member of the National Society of Professional Engineers.
