### ONLINE COURSE REGISTRATION PRIORITY (NEW)

Online degree-seeking students who are officially admitted to an approved online degree program<sup>1</sup> are given priority for registration in all online courses (designated by class sections E90, E91, E9X) during the spring semester registration period beginning November 9. This will insure that “place-bound” students have the first opportunity to enroll in online classes.

Students who have not been admitted to an approved online degree program may register in online courses beginning Monday, December 14<sup>th</sup>, at which time all online courses will be open to all students on a space available basis .

If you meet the above criteria and are interested in registering in an online course, contact the Center for Adult Learning at [cronline@umn.edu](mailto:cronline@umn.edu) or 218-281-8681 to determine eligibility and space availability.
