Charlie Parnell Memorial Scholarship

The Charlie Parnell Memorial Scholarship was established by the Minnesota Erosion Control Association (MECA) in 2007 to recognize the outstanding work and enthusiasm Charlie Parnell contributed to the erosion and sediment control and stormwater field. MECA wishes to award this \$500 scholarship to an individual who wants to pursue a degree in civil engineering or natural resources with an interest in erosion and sediment control or stormwater management. Visit the MECA web site at <http://www.mnerosion.org/scholarships.html> for more information.

QUALIFICATIONS: To be eligible for a MECA Scholarship, you must be a student with intent to complete a degree in civil engineering or natural resources. You should also demonstrate an interest in pursuing a career involving stormwater management or erosion and sediment control. You must have a grade point average of 2.5 and be a Minnesota resident. Your college does not have to be located within the state of Minnesota. Both new college students and those currently enrolled are encouraged to apply.

INSTRUCTIONS: Completely fill out the Scholarship Application form.

THE ESSAY: Write an ESSAY about why you deserve to receive a Scholarship. Indicate your objectives. You may want to include information about your educational, career, and personal goals. Demonstrate your talent by writing about any special interests or special circumstances that you may wish the selection committee to consider. Include information on evidence of leadership and community service.

ESSAY FORMAT: Limit the essay to one page, font size no smaller than 11 and use 1" margins. Use your NAME and ESSAY as the title.

Return your Application and essay either via mail or email to (we would prefer a digital copy):
