Reach for the Sky was made possible with support from the Toyota USA Foundation, the White Earth Indian Reservation, the University of Minnesota (The Institute of Technology, The Center for 4-H Youth Development, The College of Continuing Education and The College of Natural Resources.)

20 miles north of Detroit Lakes on Highway 59 is the community of Ogema. Turn east at the **White Earth** sign on MN #224. Travel four miles to White Earth on #224 to the stop sign. Turn north on Becker County #21. The Circle of Life School will be to your left at the intersection.
